PUBLISHER'S PEN

From the Publishers

Jerry Zagst, former publisher and close friend, has been a great inspiration to us in the direction *Club Scene* magazine should grow and develop, and we hope to live up to his expectations and ours as we put our first issue into your hands for approval.

We see *Club Scene* magazine as an invaluable tool of communication between the clubs and club members across the country and world. A channel through which any event, function, or news may flow freely to other interested parties.

Prior to the inception of *Club Scene* magazine, if you wanted to let any other club member know about what you or your club was doing you had to sit and try to locate that club's mailing address or that club member no matter how close or far away. We truly hope to bridge that gap and by opening communication hopefully bring the clubs somehow closer together.

Whenever communication is open, understanding is always sure to follow. If in any way we can help our brothers understand one another and their individual needs that brought them, each in their respective clubs, together—whether it be "cowboy," "Levi/Leather," "sexual preferences" or for whatever reasons — then this magazine has accomplished what it started out to accomplish.

Our second position with this publication is to support and encourage support within our community. Be it the G.D.I. on the street, our club's home bar or the politician who is out there fighting for us and our needs and rights. We have a tendency to become complacent with ourselves and we sometimes forget the struggles and heartaches that have brought all of us so far in so little time. We can't allow that to happen. We must not allow that to happen. For no one can undermine our achievements like we can ourselves by forgetting.

We state here and now as policy of this magazine we will never accept ads from bars or businesses that do not support our community on one level or another. We will never stand behind a man or a cause that does not represent our needs or causes. And that we will continue to fight for our common interests and goals with the weapons and tools we have available to us. For us that is the "mighty pen" and history has proved it truly is more powerful than the sword.

Yours in Brotherhood

-Dan McIver

-Alan Lipkin

CLUB NEWS

Mid-America Conference

Spring meeting of the Mid-America Conference of Clubs was held in conjunction with the Selectmen's 10th Anniversary May 22 in Detroit, Michigan, and the remainder of their 1982 calendar released. Those listings are now included in *CLUB SCENE'S* calendar listings in this issue.

The next M.A.C.C. meeting is scheduled to be held in New Orleans on October 2nd.

Texas Conference of Clubs

The T.C.C. meeting was held in Dallas on the weekend of July 17-19 in conjunction with the Branding Iron's 4th Anniversary. T.C.C. threw a thank-you breakfast on Sunday morning in appreciation to all the club members who worked so hard in the preparation of *Lonestar 4* run.

T.C.C. is planning to get into some serious business at their next meeting when they plan to make some by-law changes. They have decided that since *Lonestar 4* made a profit in excess of \$4,000.00 they would use that money as a kickoff for their new land fund in locating and purchasing a run site for T.C.C. They are looking in a central area between Dallas-Houston-San Antonio.

Looking for 10 to 15 acres, they are hoping to spend between \$1,000.00 and \$3,000.00 per acre. Ideally, they would like to find about 50 to 100 acres in order to sell off the surrounding acreage to club members or club supporting people to help ensure privacy on the run site. If you can help in any way or know of such a piece of land, the land committee would like to hear from you. Feel free to call them at the numbers below.

Land Committee—

Gayle Ingles, D.M.C.

Walt Bennet, *San Antonio Rough Riders* (512) 695-8144

Dan McIver, *American Leathermen* (713) 529-7620

T.C.C. has a new mailing address, so please make note and let them know if you can help: P.O. Box 66804, Houston, TX 77266.

Lone Star 4

Memorial Day weekend and over two hundred HOT men from all over the country: mix them together under the open skies of Texas and you get *Lonestar 4 Run* and a great time for everyone who came to enjoy themselves.

When you hear that everything in Texas is BIG, you can believe it. It takes eight clubs over six months to put this spectacle together. The eight clubs represent T.C.C., the Texas Conference of Clubs, which includes: *The American Leathermen*, Houston; *The Branding Iron*, Dallas; *The Colt 45's*, Houston; *Dallas M.C.*, Dallas; *Heart of Texas*, Rosebud; *Knights d'Orleans*, New Orleans; *Rough Riders*, San Antonio; and *Lancers M.C.*, New Orleans.

Thanks to the hospitality of Jack Kilgore, the run was again held in Rosebud, Texas, a town approximately 30 miles southwest of Waco. The run site located on Jack K.'s ranch had been prepared for over several years, so one had all the comforts of home: a fully equipped kitchen, hot and cold running showers that never seemed to run out of hot water, two separate johns (each can seat 4 people at a time or stand 30), separate douche and shower facilities appropriately named *Humpty's Dump*, and concrete dance floor and stage for night-time fun or daytime ceremonies. These facilities were constructed and paid for by all the clubs in T.C.C. It just proves what can be accomplished when we all work together to do something.

Events included an Enduro, a heavy bike run, people events and the ever-popular Veranda events for men over forty. For those of you who may have been there for *Lonestar #3*, you may remember J.J. from Dallas and the distinction he garnered for himself with his

eggs a la Joan d'Arc (no one could believe eggs could ever turn that shade of black!). Well, folks, he did it again. Only this time, during the Veranda events while everyone was supposed to grease their hands, put on a pair of handcuffs, carry a greased dildo forty feet and then find the key that fit his handcuffs from a pile of twenty keys, J.J. found the key and got it stuck in the lock—jamming the cuffs and putting an end to the event. Two hours and lots of hot water later he finally got the handcuffs off and his time for the event officially recorded: 2 hours and 4 minutes! Personally, I am waiting anxiously for *Lonestar #5* to find out what's up his sleeves for that one!

Among those attending were clubs representing St. Louis, Mo., Chicago, Ill., Corpus Christi, Tx., Jacksonville, Fla., Harrisburg, Pa., Washington, D.C., New Haven, Ct., and most of Texas.

The food was great, the weather was great, the events were great, and the men were HOT and PLENTYFUL. What more can I say—except that I'll see you all again in 1984 for *Lonestar #5*.

ALBUQUERQUE

Motorcyclen of New Mexico

The Motorcyclen of New Mexico are a group of men who toyed with the idea of forming a group for a time, but at Golden Fleece Run #10 were finally inspired to form their present club.

At G.F.R. XI they celebrated their first anniversary with 11 full members and 18 associate members (16 of those are Rocky Mountaineers).

At home they hang out at the Albuquerque Social Club. While it is a private club, persons from out-of-state are welcome to stop in.

We wish the Motorcyclen of New Mexico a very happy 1st and many, many more.

—Jerry Zagst

CORPUS CHRISTI

Ruben and Jim's opening of the *La Roca Night Club* on June 25th added a mixed men-women's bar to the club

scene in Corpus Christi. Along with Alan T.'s Playpen Lounge, George H.'s Zodiac Disco and Odd Couple Lounge, and Pollock's Hidden Door, Corpus is beginning to widen its appeal to suit any taste.

Everyone in Corpus Christi is up for the Mr. Corpus Christi contest with all bars sponsoring entrants. Troy M. is the first Mr. Hidden Door. Troy and seven other hot men competed in swimwear and casual wear during the June 27th contest—too close to call for many Hidden Door patrons. The Mr. Hidden Door contest was sponsored by the Corpus Christi Motorcycle Club, whose members are also having monthly Club Nights at the Hidden Door. Located near the corner of Staples and Morgan, the Hidden Door has become one of the most popular men's bars in town.

Corpus Christi's annual splash day on June 19th was a big hit. Hot sun, music, beer, plenty of food and games blended with a crowd of about 300 people to produce a great time for all. Meanwhile, another beach party and barbeque on July 3rd sponsored by the local M.C.C. helped to raise funds for the many activities of the local churches.

For those planning a trip south...the Corpus Christi Motorcycle Club will have a Color-Hanging Celebration on Saturday and Sunday, September 4th and 5th (Labor Day weekend). The Saturday evening celebration at the Hidden Door will be followed by a beach party on Padre Island Sunday and dinner and cocktails Sunday night. Come on down: enjoy the sun, the surf, and some of the friendliest people in Texas!

—Ken Boeker

DALLAS

Branding Iron is 4 Years Old

The *Branding Iron Club* of Dallas celebrated their 4th anniversary by filling the July 16 weekend with pleasure, parties, poker runs and an outstanding banquet and awards presentation at the Executive Inn Hotel.

Attending the three-day affair were members of most of the clubs in Texas and Louisiana plus many of our very

supportive GDIs. Congratulatory cocktail parties were thrown by the Colt 45's of Houston, the Dallas M.C., the Mustang Clubs of Houston and San Antonio, Tex's Ranch, the Branding Iron's home bar.

Following an excellent mean on Saturday evening, Dan Russell, president of the Branding Iron, made presentations to their best in- and out-of-town supporting clubs and individuals. Recipients included the Colt 45's of Houston, the Silver Spurs of Dallas, Chuck M., Bill M., and Ken Darity of Dallas, and Charlotte Archer, Lloyd Thomas and David Bales of Houston. The Presidents Award went to Gary Yinger and David Moore copped the coveted *Horse's Ass Award*.

Every member of the Branding Iron again proved to be a most congenial and generous host and they should all feel proud of a most successful event.

Spur I

The *Silver Spurs* of Dallas provided a rootin'-tootin' weekend for everyone attending **Spur I**. Twelve clubs were represented along with a host of ever-supportive GDIs.

The weekend included lots of country & western dancing, a barbeque banquet Saturday night, brunches, cocktail parties, and a surprise kidnapping of the club presidents. *Dallas M.C.* won first place for re-capturing their president.

During awards presentation Saturday night, the *Mustang Club* of Houston and the *Mustang Club* of San Antonio presented *Silver Spurs* with their club's colors. Both colors are hanging in the Wooden Nickel Saloon, home bar of the *Silver Spurs*.

The new officers of *Silver Spurs* are: Jerry (Killer) Crawford-Tophand; Don Billington-Ramrod; Nina Pettis-Paymaster; John Clements-Dispatcher; Paul McNeese-Trailboss; and Michael Leach-Marshall.

Congratulations to the *Silver Spurs* of Dallas for a very successful and very impressive first year.

—Larry Rose

DENVER

Miski

While Miski has attended many Golden Fleece Runs and won her share of awards, she has only been a member of R.M.M.C. for two years. But in two short years she has been on the membership committee.

Miski is also an associate member of the Motorcyclen of New Mexico. The most important thing I can say about Miski and her lover Genie is that they prove to many a doubtful person that gay men and women can have fun together while respecting one another.

A salute to Miski, one of the club scene's most impressive women!

DETROIT

Selectmen Anniversary

There were plenty of awards given out during the Selectmen's 10th Anniversary celebration May 21-23 in Detroit.

Twenty two clubs, including from our area the Knights d'Orleans, were represented. The club participation awards were won by the International Roadmasters, followed by the Antons and Gateway.

Since it was "Big Wally's" first bike function other than club nights, it would have been nice to have brought the long distance non-bike trophy back to New Orleans. However, we were edged out by the Rocky Mountaineers and instead the trophy went back to Denver. The biker award was won this year by the Blackhawks.

The Antons presented their colors to the Selectmen and plaques honoring the anniversary were given by Gateway and *Cruise* magazine.

The awards were a feature of a four-course meal at the swank Book Cadillac Hotel in downtown Detroit. Preceding the awards was a musical revue, *Backstage Broadway* by the Theatre of the Arts, Ltd. The highly spirited entertainment received two standing ovations. The pins were among the nicest ones around and the mugs are perfect souvenirs. The anniversary booklet listed three associates from New Orleans who were not able to attend: Don D., Bob K., and Jerry R.

Looking forward to the Selectmen's next Anniversary with greatest expectation and excitement.

—Wally Sherwood
New Orleans Correspondent

HARTFORD

Copperheads

LET IT BE KNOWN: On the 15th day of June, 1982, the sixth anniversary of

our formation, seven men gathered together in Enfield, Connecticut, to dissolve the Connecticut Copperheads as an active Levi Club.

LET IT BE KNOWN: As of that date, the title *Connecticut Copperheads* has been retired.

LET IT BE KNOWN: The members of this organization always held true to the ideals of all clubs in the L/L fraternity and will continue to uphold the spirit of brotherhood to its highest degree.

LET IT BE KNOWN: The former members of the Copperheads will continue to extend an open invitation to all brothers to visit with us if and when they may be traveling through the capital region of Connecticut.

American Leathermen

Our 6th Anniversary, originally set for August 6, 7 and 8, has had to be rescheduled for September 10, 11 and 12.

Whenever a club throws a function there are bound to be some bugs that must be worked out. In this case, unfortunately, it was more like the locusts had landed!

The main reason was simply a very full calendar. First, we had Lone Star 4, a quite successful run, followed by the American Leathermen's 4th Annual Slave Auction—a big fund-raiser for Kaposi's Sarcoma. To ensure that it would be the biggest ever, there were posters to design and get out, tickets to be printed and sold, prizes to solicit, sets to build, lighting to install, etc., etc. Luckily the costuming was minimal!

We are proud to say, however, that over and above all expenses we were able to raise \$2,100.00 to help in the fight against "gay cancer."

Suddenly we found ourselves with only five weeks before our anniversary! So...*Work harder and get it done* you

say. That's what we said, too; that is, until the real stone walls came into view.

The posters and other printing was delayed, our trophy maker suffered a broken back, and our pin manufacturer couldn't meet our August 6 deadline. OOOOPS! Under these circumstances we really had no alternative but to re-schedule our event.

We apologize to all clubs and to all club members for the inconvenience we may have caused in your plans and to *Club Scene* magazine for lousing up their schedule and calendar. And we are sincerely sorry to one and all, but we do hope you will be able to re-arrange your plans and join us for the best anniversary and most enjoyable weekend—and this we promise!

See You In Houston in September!?

—Gerry G.W. Webster
Editor

Colt 45's

Excitement, hard work, and many heart-felt thanks are but a few ingredients that add so much meaning to the charities supported by the Colt 45's. Defining the emotions or the virtues by which we are guided is often difficult at the onset. However, when many hearts are touched and many lives enriched, an abstract task becomes a concrete goal. With this in mind, our goal for this year is to raise funds for the following charities: Kaposi's Sarcoma; Near Town Association; Autistic Children's Fund; and Houton Gay Switchboard.

Our task then is to hold two major events in support of these charities. The first will offer not only enjoyment but also excitement for the community by allowing them to show off their culinary talents. How? We are currently in the working stages of holding a Pillsbury II Bake-Off at the Brazos River Bottom on July 25th. Entry forms have been distributed describing the rules and awards for this event. Further, raffle tickets are being sold for a \$1.00 donation, and the prizes are a Cannon AE-1 35mm camera, an Intellivision video game, and a Camel Hillside 9 x 12 ft. tent. That's not all! Other prizes will be given and many

other items auctioned off. Winners of the Pillsbury Bake-Off will have their entries auctioned off. Proceeds from this event will go to the charities mentioned above that we are supporting.

Our second major event will be our annual Country Carnival to be held on the patio of the Brazos River Bottom on September 18th. As always, we promise an evening of pure enjoyment with continuous events. Again, charity fund raffle tickets will be sold for a \$1.00 donation and prizes given on the day of the event. All this cannot be possible without the support and interest of many—especially you! We invite all to help us make these events a success. Reach out now; touch someone's heart! Your life and theirs can be enriched.

Aside from these events, our monthly skate nights continue to attract a nice crowd. We thank you for the continued interest and support and invite you to join us at our next skate party on August 16th. September will bring back the 3rd Tuesday of each month. Until then, we wish all a summer of fun and goodwill.

—Mannie R. De Leon
Secretary, Colt 45's

H.C.C. Picnic

Houston Council of Clubs has planned an all-H.C.C. club members' picnic in Memorial Park on August 29, 1982. The beer has already been donated for this picnic by the *Drum*, and sausages and hot dogs are being donated by *Club Scene* magazine. Coordinators for this event are Bill Bailey of the Colt 45's and Ron Holtam of the Houston's American Leathermen.

There will be a \$2.00 per person cover charge. If all monies collected from this event exceed the cost of the picnic, that excess will be held in trust by H.C.C. for *Let Us Entertain You Weekend*.

Please contact H.C.C. for further details and information.

LETTERS

Messers Zagst, McIver & Lipkin

Gentlemen:

On behalf of the Kaposi Sarcoma Committee, I wish to thank you and *Club Scene* magazine for your help and contribution to the success of the fundraising dinner at the Swim Club July 19.

Your commitment and support is greatly appreciated.

Sincerely,

Didier F. Piot, M.D.

Member, Kaposi Sarcoma Committee

Dear *Club Scene*,

I would like to place a few lines in your magazine concerning the *Lonestar 4* run.

To all clubs that attended the run I extend my thanks for your hospitality and friendship. The cocktail hours, people events, and the biking events were very educational and above all loads of fun. It was obvious the committee that put the run together worked long and hard (my cap is off to the committee).

There are some clubs I had the good fortune of meeting and sharing with that displayed the true meaning of *Brotherhood*. My deepest thanks to the following: *American Leathermen*; *Knights d' Orleans*; and *Lancers*.

I met many new faces, especially Mike who works a bar in New Orleans; George and Dan of Dallas; Bill C. of *Knights d'Orleans*; Karl, Don, Paul, Boots and Weldon of *Lancers*; and Paul T. of Houston who has a way of making a tired biker *c-o-m-e* to life again within minutes.

The *Lonestar 4* run and all the brother clubs down South will always be remembered, and I'm going to try my best to attend the next *Lonestar* run. Keep up the good work down there and may you all prosper.

Yours in Brotherhood
—Ron Simes
Stud M.C., New Haven, Ct.

Dear *Club Scene*,

We very much appreciated your letter of July 7. The changes of which you spoke sound exciting.

In your letter you questioned the home bar location for our Club. *The Body Shop*; 720 Bodart Way is correct. The Manhole, our former home bar, no longer exists. The building was purchased and now it is a parking lot.

On behalf of the *Argonauts* of Wisconsin, I would like to congratulate you and your publication. Your format and efforts relative to the club scene are greatly appreciated. Thank you for including our Club on your mailing list.

We are looking forward to your next edition.

Sincerely,

Thom T. President

Dear *Club Scene*,

I have seen two issues of your magazine and have been very impressed with what I have read.

I am what the clubs call a G.D.I., or to say, not a club member. Until I read your magazine and started to understand what the clubs did other than going to bars and standing around in groups I would never have even thought of joining a club or even trying to find out about them, but now I am friendly with a couple of different club members in my hometown and I am starting to see that they are concerned citizens involved in community matters and helping many who are in no position to help themselves. Needless to say I was blown away by how much I didn't know about a group of people that I had judged simply because they were in a "Club."

Thank you and your magazine for everything. I am enjoying a whole new experience and I might even pledge the club my new friends are in.

Sincerely,

—David Boldiner
San Francisco

WHAT BECOMES A LEGEND MOST?

VENTURE-N, OF COURSE.

HOUSTON'S DIRTY DOZEN

Thirteen of the HOTTEST, HARDEST, HUNKIEST, HANDSOMEST and HORN-IEST men you ever had wet dreams over went on the auction block June 18th on the patio of the *Drum* for *The American Leathermen's* 4th annual Slave Auction.

Add Lord Mac as Dungeon Master and you have a night no one can forget!

BUT: this year's auction was presented to the public with more than just fun, laughs and good times in mind. *The American Leathermen* had declared 50% of the net income from the auction to be donated to the Kaposi's Sarcoma Committee to help in the fight against the "gay cancer." At the end of the sale a little less than \$2,000.00 had been raised for the Committee, so *The American Leathermen* - in their accustomed fashion - donated the balance of the monies out of their own pockets to round the figure off to an even \$2,000.00.

No stone was left unturned to raise monies for this event. To purchase a slave you had to buy a raffle ticket. Half of the raffle ticket was filled out with the buyer's name and then put into a drum for a later drawing. The other half was used as money for bidding on the slaves. This way whether or not you bid on a slave you still had a chance to win at the drawing.

What were people buying chances on? First prize was a 19" color TV, second prize a microwave oven, and third prize was a paid run fee to the Rosebud Run. So the more tickets you bought to bid on a slave the better your chances were on the raffle.

Marion Coleman / Ron Martin
Showing "Pride in Ownership"

For two months prior to the auction even the slaves were out trying to sell raffle tickets to friends and supporters for they had their own competition going. They knew that the slave who brought in the most monies on the auction block was going to win a free trip to Gay Rodeo in Reno and then on to San Francisco for a week, all expenses paid. And second place was going to receive a Seiko watch, \$100.00 Gift Certificate to Eagle Leathers and much, much more. And believe me the competition was fierce!

Ron Martin, popular personality around Houston, won First Place with a winning bid of \$1,600.00. Marion Coleman of *Kindred Spirits* bar and a long-time friend of the clubs in Houston was the successful buyer - and she enjoyed every minute of it as she proceeded to show off her purchase around town on his collar and leash. Second Prize was captured by Tony Trotta, a hot silver-haired stud transplanted to Houston from Manhattan.

Alan Lipkin, originally from Chicago, and Lewis Pace, a native Texan, both *American Leathermen*, were the co-chairmen whose brainstorming and butt-busting put this function together. When asked if they were pleased with the results both just smiled and continued their cleaning-up of the *Drum's* patio - probably already trying to figure out how to top this next year.

August 4th will mean "Full Moon Madness" for the Texas Riders at their home bar *Mary's*.

What else do you do in August for a party? BEACH PARTY! That will be the theme of their "Full Moon Madness" this month. So you figure out how you want to dress (or *un*-dress) and go have a great time with the Texas Riders.

MEMPHIS

Tsarus

Summer 1982 has seen Tsarus, Memphis, embarking on a number of ambitious projects and activities. Tsarus' V Anniversary weekend April 16-18 was the start of what has been an almost nonstop schedule of events. With 11 clubs represented, coming from as far as Milwaukee and Detroit, many people joined in the festivities. The weekend started off in grand style at our home bar, Sharon's, with Gateway-St. Louis being honored at a guest Club Night. Saturday morning eye-openers were sponsored by P.W. Bumps, followed by a lavishly catered pool party—a Tsarus tradition. The Saturday evening show featured Tsarus members, with an encore performance by Sex, Inc., 4 tons of fun from St. Louis among the featured guests. Rounding out the weekend were several cocktail parties, culminating in a Tsarus-sponsored brunch at Sharon's on Sunday. Plans are in mind for an even more exciting Tsarus VI next April.

This summer has seen Tsarus members traveling far and wide to attend numerous runs and club-sponsored events. Six members, Larry G., Charles L., Skeeter H., Jeff V., Mike S. and associate Roy M. ventured to Atlanta Memorial Day weekend for Atlanta 4-Way. Highlighting the weekend, in addition to the usual run activities, was a float trip on the Chattahoochie River—proving to be an enjoyable diversion.

Other events upcoming include our annual Trash Day, an all-day mini-run in town with bike, buddy, people and veranda events. Lunch is provided to all

registrants and trophies are awarded in all areas of competition. Also, Tsarus members are expected to journey to Nashville this fall for a guest Club Night sponsored by the Conductors L/L and their home bar, the Crazy Cowboy. Rounding out the summer schedule is the planned bike rally, dubbed Rendezvous, to the Knoxville World's Fair the last week in September. This promises to be one of the largest bike-featured events this country has ever seen. Numerous bikers and buddies are expected to participate, with groups from the West, Southwest, Great Lakes and the South converging on Knoxville. A large number of bikers are expected to rendezvous in Memphis for the trip east, and plans call for camping out enroute and in Knoxville.

Foremost on the calendar of events is *Aida I*, Tsarus' first-ever run, to be held Labor Day weekend, September 3-6. The run site is located in Madison County, Tennessee, approximately 93 miles northeast of Memphis and 16 miles southeast of Jackson. The private 600-acre site is totally secluded and includes a 100-acre lake suitable for water sports. Tsarus is emphasizing that *Aida I* is intended to be a laid-back run, and at the same time scheduling regular run features (enduro, bike, buddy, people and veranda events) at intervals, allowing participants to relax. Several surprises are planned in conjunction with the overall "Egyptian" theme and, in order to maintain the surprise element, details won't be revealed in advance.

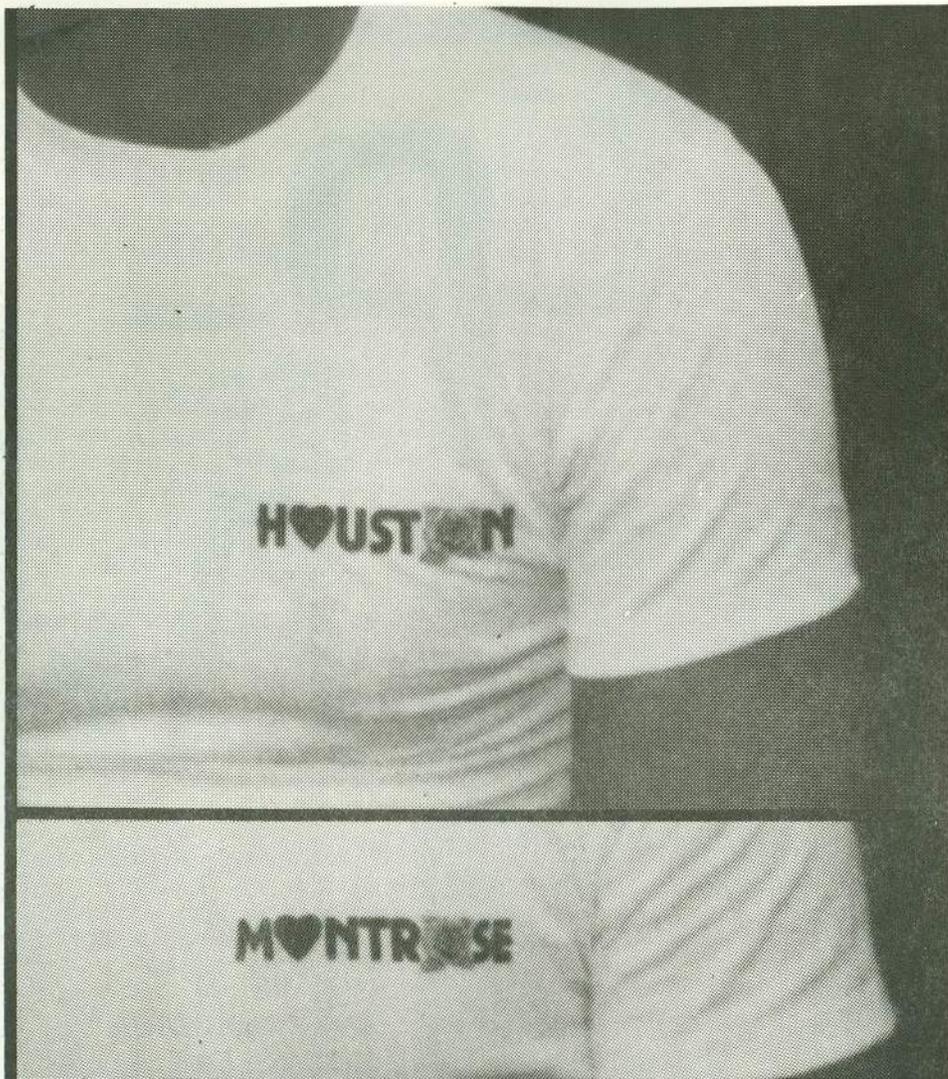

Tsarus is looking forward to its hectic schedule in the upcoming months and hopes that the Brotherhood will be supportive in its efforts. We are always ready to play host in Memphis and hope all those passing through our city will stop in and visit us at our home bar, Sharon's, located at 1474 Madison Ave. in midtown (278-9021).

—Charles Lewis
Secretary

The graphic consists of a large, dark rectangular frame. Inside the frame, on the left, is a detailed illustration of a glass bottle with a textured, ribbed cap. The bottle has a white label with the words "GET UP !" printed in bold, black, sans-serif capital letters. To the right of the bottle, the words "UP IS A+" are written in a large, stylized, black font. The "U" is tall and has an arrow pointing upwards from its top. The "I" is a simple vertical bar with horizontal bars at the top and bottom. The "A" is tall and has a plus sign at the end of its right leg.

WE MAY NOT BE EVERYWHERE... BUT WE ARE WORTH ASKING FOR!

NASHVILLE

On the 2nd Saturday of every month you can find the *Conductors L/L* club at The Crazy Cowboy. This is the home bar for the 22 members of this exciting new club located in the heart of Blue Grass Country.

The *Conductors L/L* club was formed on January 10, 1982, and since having been together they can also boast, besides having 22 members, 3 pledges, 2 associates and 1 honorary member.

On Friday nights this group of HOT MEN help out the Crazy Cowboy by standing behind the bar and serving you whatever you want to put to your lips (to drink, that is)!

We would like to wish this club the best of luck and may they have a very successful association together over the years to come.

NEW ORLEANS

RUMOR: We have heard that the old New Orleans Celtics are re-grouping!

Jacques Gautreaux of Anaheim, Ca., made a cross-country journey aboard his Honda Goldwing to visit family and friends in New Orleans the early part of July.

Jacques, who is the charter President of the New Orleans Celtics, will also be remembered for being one of the most popular bartenders at the old "Gertrude's" in the French Quarter.

Beat Me, Bite Me, Whip Me, _____ Me!

There is a new club forming for you men who are into *serious* S&M. This club, from what we understand, is *not* for the game players or those who think slap and tickle is being sado-masochistic. So, for anyone looking for an honest alternative you can write to:

SAN ANTONIO

Floatilla I

The San Antonio Mustangs are proud to present what we hope will be a relaxing and enjoyable weekend. The site is a public place of business, thus we would appreciate it and expect all conduct to be in good taste. We will be segregated from the general public but by no means will we have to put up a front. They are beautiful people and are bending over backward to work with us. Floating equipment is the responsibility of each club and person. If you have no floating devices, a rental service is available at the run site.

Donations for the weekend are \$16.00 per person. Overnight camping is available Saturday on run site.

We hope the various clubs will display their colors. Safe areas will be provided by the San Antonio Mustangs for your colors and leathers.

The activities for the weekend are as follows:

Friday, August 20-

Registration at Snuffy's Saloon

Saturday, August 21-

Cocktail parties at various times
Lunch

Floatilla I race

Fish Fry Dinner

Dance Under The Stars

Sunday, August 22-

Continental Breakfast Rude

Awakening

Awards presented for the weekend
and Farewells.

We hope to make this a fun weekend but how can we miss with the company of great people and the Guadalupe River!

G.D.I. Club, Inc.

The S.F.G.D.I. Club was formed in 1975 by a group of independents . . .

Today we have a membership of 25, with 18 full and 7 honorary members. President of the club is Tom Way; Vice President is Jonni Valle; Treasurer is Ron LaBarbera; Recording Secretary, Bob Martel; Michael Gill is our Road Captain; and I, Larry Kenney, am Corresponding Secretary.

We sponsor seven functions each year in addition to monthly meetings: our Anniversary Party in January; The Winners' Circle following the Motorcycle Awards in February; an Equinox Beer Bash in March (very successful this year with over 500 attending); a Box Lunch Social in cooperation with the California Motorcycle Club in May; our annual 3-day run (a great weekend for 170 people this year) in June; a one-day run in August; and—our biggest event—A Day At Minsky's, in October.

Anyone coming to our great city for a visit is invited to contact us, and we'll do our best to show you a great time! You can write to us at:

Rocky Mountaineers - G.F.R. XI

HIGH IN THE ROCKIES WITH G.F.R.

It's hard to believe that a Rocky Mountaineers' *Golden Fleece Run* could ever improve, but each year this amazing club manages to do it.

We arrived in Denver Thursday evening so we could attend the G.F.R. Beer Bust at the Triangle Lounge that night—and what a bust. Over 14 kegs of beer were served. Afterwards we stumbled or crawled or whatever to the home of our gracious R.M.M.C. host Ron S.

Friday morning it was up (carefully) and on to breakfast for a small shopping trip prior to our departure at noon. The journey up the mountains to the Golden Fleece Run site in Pike National Forest took us through some of America's

most beautiful scenery.

Over 150 people attended, representing 28 clubs and, without fail, the ever-faithful G.D.I.'s.

Opening ceremonies were brief and included the Top Hands' announcement that the R.M.M.C. land drive fund had reached its one-third mark: \$13,000 of their goal of \$36,000. Included in the opening ceremonies was a salute to the Motorcyclen of New Mexico on their first anniversary (they formed at G.F.R. X). With champagne flowing and cake abounding, everyone watched as the two clubs exchanged colors—an opening to be remembered!

The afternoon behind us and night approaching, everyone changed into their leathers and warmer clothes and gathered around the campfire to thwart the cold of Rocky Mountain evenings.

Saturday brought good food, the Enduro, bike events, people events, and the scavenger hunt (personal thanks to the K of M, Denver, for their help in my personal endeavor). Cocktail parties were held by: *The Knights of the Golden Eagle*, Denver; *The Harness House*, Denver; *MAX* and *The Imperial Court of Denver* (great parties, from what I can remember!).

Sunday brought the buddy, veranda, and club events, plus cocktail parties by Mike's Bar, Denver, The Motorcyclemen of New Mexico, and two couples who had met at previous G.F.R.'s (Don and Pat of R.M.M.C. and Chuck and Doug of The Battalion). Guys—congratulations and many, many more!

Sunday night brought the Dress Dinner and, if you can believe it, steaks on the run. The show was one of the most entertaining I have seen; even the mistakes were hilarious. After the show it was awards time and many awards were presented for the various events.

The "Golden fleece" was found by Jim and Jimmy of The Motorcyclemen of New Mexico so, as the myth goes, *Golden Fleece Run XII* can be held next year.

We are glad to say that with the participation of *Club Scene* magazine nearly \$500.00 was raised that weekend for the Mountaineers' land drive. (If you or your club would like to donate, send to the address below.)

I could go on forever about this run but space does not permit. The only thing I can say is *Where is my application to G.F.R. XII?*

—Jerry Zagst

LAST CALL

Cookie Queen Reveals Recipe

After much persuasion "Dolly" finally told us how she was able to produce such award-winning chocolate chip cookies. First, you leave your tasteful Montrose duplex, then you step lively into your Lincoln Continental. After a leisurely ten-minute drive you park the car in Weingarten's parking lot, stroll casually to the nearest bakery counter, order two dozen of the best chocolate chip cookies money can buy, go home, put them on a paper plate, carefully cover with saran wrap, then pour yourself a tall bourbon and water to help soothe your jangled nerves after such an exhausting ordeal!

TORONTO

Six members of the *Lanyards* visited Texas the weekend of the 24th. Stopping first in Dallas then on to Houston for Sunday night and Monday. Exemplifying the spirit of brotherhood, Monday they threw a cocktail party for the clubs of Houston at their motel, that many Houston club members enjoyed.

Hats off to the Canadian members of *Lanyards*, and hope to see you in Houston.

D.M.C.

Just a line to wish everyone good luck and good times with one of the hottest runs in Texas . . . ROSEBUD.

K.S.C. Kicks Off

The Kaposi's Sarcoma Committee's kickoff dinner July 19 at Houston's Tropicana Swim Club raised more than \$5,800.00 to be used in research of the dread disease. The dinner, hosted by Alan Lipkin and Dan McIver, publishers of *Club Scene* magazine, was attended by over a hundred of Houston's most prestigious leaders.

In addition to the above amount, Ron Holtam, president of the American Leathermen M.C., presented the KS Committee with \$2,100.00 raised at their annual Slave Auction.

Speakers, introduced by MC Danny Villa, were Richard Ewing, Jr., author of *Towards a Healthier Gay Lifestyle*; Michael MacAdory, Mr. Gay Pride 1982 and chairman of the KSC; Dr. Guy Newell director of cancer prevention at the famous M.D. Anderson Hospital; and State Representative Debra Danburg, who lightened the end of her serious talk to the tuxedo- and gown-bedecked crowd with *You all really do look much better in black Leather!* (So does Debra—Ed.).

Denver's Oldest is Now Bigger

When Don Young acquired the rest of the building the Triangle Lounge resides in last year he began improvements and expansion. The downstairs was completely made over and a long room running behind the length of the main bar was added, improving the traffic flow. One month ago he added 900 square feet in back. This room has 50 lockers (so no coat-check is needed) for the customers; the three pinball and three video games; and another restroom. As well, a second set of stairs to the basement bar is at the back of this room. The telephone is set back in the corner of the locker room, making it easier to have a phone conversation in the bar now.

Having moved the pinball machines to the back, Don has had a disc jockey booth put in their place. Fred Tapley plays Friday 6 p.m. to 2; Saturday 10 to 2; and Sunday 6 p.m. to 12. The music is mostly rock 'n' roll, *not* disco!, and in the basement bar Country & Western. The volume of the music has also been substantially lowered. The front of the booth has a brass triangle and faces the newly covered pool table (from red to rust). Near the pool table the entry to the main bar now turns left, also adding more "meatrack." The meatrack now extends nearly completely around the bar. The main design overall was done by Glenn Knavel.
