LENÉ TO APPEAR IN CONCERT

The Grand Ball Room of the Georgian Terrace Hotel will be the scene of a Special Event on Monday, November 21st when Atlanta's own Lené will appear for the first time.

This unique production is divided into two parts. The first portion is the concert while the second part is a Special Production called "Chameleon". Chameleon is the

AROUND TOWN

Paradise or Utopia. It takes place in the future where Chameleon, the home of peace, hapiness and tranquility, is found only by those who are willing to seek, explore and struggle to find it. The lyrics, written by Lene', were inspired by the former space group, LaBelle who had a recording called Chameleon.

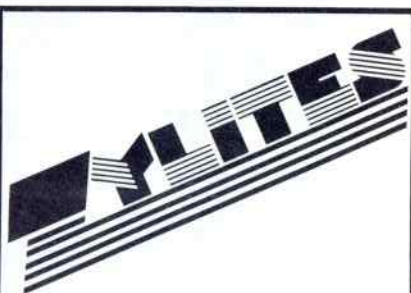

This production is not a one man show. Gail Allen, Dana Lamour and Vicki Lawrence will be appearing and music will be provided by an eight piece band. The technical crew

includes a special effects and stunt man with smoke bombs and fireworks. The stage design will be done for Lene' by Maza, a professional stage designer who creates props for many of Atlanta's resident theater companies. Lighting and special effects will be handled by Steve Park of Advanced Tech Services.

It looks like Lene' will certainly be a show that is a little different so we urge you to make your plans now to be there on Monday the 21st.

ZYLITES NOW OPEN IN FAMILIAR LOCATION

Zylites, a hot new disco, is now open at 2110B Peachtree Road NW, a location that is very familiar to many of Atlanta's gay bar-goers. Formerly a warehouse, the building housed a

popular straight bar called Uncle Sam's in 1970 and 1971 then became popular with gays as The Bayou Landing in 1974 and 75 and as Mother's in 1975 and '76.

Those who went there after the club was remodeled in early 1976 will recognize the carpet and the general layout, but there the similarity ends. The new club boasts a completely new and very impressive light show along with some outstanding sound. The walls are done in a cork material which blends nicely with the earth tones of the carpet and ceiling. A large game room has been created out of what were originally storage rooms and offices behind the dance floor bar.

A number of faces familiar to Atlanta's gay community will be found working here. David and Paul

are the DJs while Keith, formerly of Encore, and Big Jim, formerly of County Seat and Magic Garden, can be found tending bar.

One of the specials Zylites is offering to entice the gay boogie crowd is a Happy Hour from opening at 10 PM until midnight every night. All drinks, including special drinks and call brands will be one dollar during these hours. Another weekly event there will be the "Mid Week Warm Up", a party night, every Wednesday.

We know you'll want to check out Zylites at your first opportunity, so head that way. It's down the hill back of Harrison's on Peachtree.

CRUISE CALENDAR

WHAT'S HAPPENING THIS WEEK IN ATLANTA FOR GAYS
An Invaluable Daily Guide Compiled and Written weekly by Mike Jameson

FRIDAY, Nov. 11th:

Okay, here we are in the middle of a somewhat 'nothing' month; all of us holding our collective breath till "the Holidays," right? Wrong! November is going to be one of the best months ever. We've got GOTHAM in town and a big new Disco has gone Gay (but of course) and some exciting and unique contests are coming up. Now is also near the time to start planning your winter vacation. I don't know about you, but I'm spending a week welcoming visitors at an I-75 Rest Stop. Talk about a vacation! Anyway, enjoy the week...

LE COVE's band of Mary Men (think about it) open the place at 1pm every day Happy Hour starts at 1 & goes till 9pm (but from opening till 8:30pm on Sat & Sun). LE COVE also features a 25 cent Beer Bust on Tuesdays & Thursdays. (I finally saw their infamous "Leather Jock Strap Man" the other day. Wow!)

EL MATADOR offers Cocktail Hour from 3pm till 9 every week night. Closed Sundays. Hollywood Movies shown in the Bleacher Room on Tues and Thurs (call for titles). The lounge presents LIVE entertainment on the weekends. Tonight: the piano talents of Carl York.

ENCORE, the Disco, opens at 4pm Mon-Sat and at 6pm on Sun. Cocktail Hour runs till 10pm. Newly remodelled, ENCORE is beautiful.

Frank Powell has gone & done it. He bought out the former Chez Cabaret. Now it's FRANK POWELL'S and it's gonna be fascinating. For now he's lined up Joe Dorwart to play at the piano bar Thurs-Mon and Gary Poe to play rag-time piano on Tues and Wed. (By the bye, Gary, are you going to buy out *The Barb* like rumor has it? Not much to buy...) Anyway,

GALLUS LOUNGE's Happy Hour starts at 5 & runs till 8 every week nite. Tonight's Special is Margaritas. Speaking of Margaritas, just what is Mexico's national anthem..?

THE GAY PAREE CINEMA is currently showing "Jack" and "Behind The Greek Door." This big, fancy & popular place is open 24 hours.

THE LOCKER ROOM DISCO and Show Bar opens at 4 & goes till 7am! A Private Club as is the LOCKER ROOM HEALTH CLUB adjoining. 2 for 1 Happy Hour from 4 till 8. On Tues, Wed, & Thurs the Happy Hour runs till the end of the first Hollywood Hots show. The Health Club is open 24 hours. Shows Tonight!

THE MAGIC GARDEN continues it's winning ways with GOTHAM to-nite & tomorrow night (last shows!) in the Cabaret section. The hot Disco opens at 9pm with NO COVER Mon thru Thurs (and Cocktail Hour runs from 9 till 11pm on those days, too). Brandy Lee returns by overwhelming popular demand on the 15th thru the 19th and Marcia Lewis will WOW you starting the 21st. Just when you think the place just *can't* get hotter, *can't* get better, THE MAGIC GARDEN does...

THE ONYX begins at 2pm and Happy Hour runs from 2 till 7 every week nite. "Tiger" is the new Show Director and the fabulous shows that are an almost every night occurrence attest to the professionalism evident. Nice people, good shows, happy times. What more could you ask..?

OUR PLACE has Cocktail Hour from 7 till 9. This is a popular lounge,

Diamond Lil entertains on the 12th and they have a free breakfast buffet from midnight till 3am on Fri & Sat.

SHELLY'S PLACE Happy Hour runs from 5 till 7pm. **SHELLY'S**, besides being a very popular tipling spot for all kinds of interesting types, is also a fine restaurant.

STEPHEN'S SALOON features a "weekday matinee" from 4 till 9pm. Tonight is a "Thank God It's Friday" Champagne Party with "toasts" at 10:30, 12:30 and at 1am.

THE SWEET GUM HEAD, Showplace of the South, presents three of the Star-studded Shows that made "drag" so popular & even respectable in Atlanta tonight. Showtimes:

SWEET GUM HEAD

10:30, 12:30 & 2:30. Keep an eye on the **SWEET GUM** near the end of the month. They've got *Bertha Butt* coming, followed by *The Jack Wrangler Show*, followed by *The Mr. DownUnder Contest!*

TEX'S, the place to find **MEN**, (if you go for the Levi-Macho types... and don't we all), offers Happy Hour from 1AM (yes, A.M.) till closing Mon - Thurs. Reduced prices to those in their "colors."

ZYLITES is the big new Disco opening Gay tonight at the location of the infamous "Mother's." From 10pm on the place will rock off it's foundations with the thundering sounds of a super **GLI** system. **Tandem D.J.s** David & Paul run the show with a very sophisticated light & sound extravaganza. Check it out.

SATURDAY, Nov. 12th:

LE COVE's Special tonight is Gin. Gin? Why Gin? Who drinks Gin anyway? I don't. I hate Gin. Gin makes the inside of your mouth taste like the insides of a moldy cedar hope chest. So even tho the Special in on Gin tonight, drink Southern Comfort. And drink one for Janis... (Just kidding, Lloyd...)

ENCORE DISCO opens at 6pm with Happy Hour prices running till 9pm. Hot Disco till closing. You'll like it.

EL MATADOR offers **LIVE** entertainment on the weekends (and the **FREE** buffet is today at 2pm). Food is now available at all times at the bar (hot dogs, Polish sausages -and no jokes, please- deviled eggs, pickles, etc.). Don't forget the movie on the 15th & 17th.

FRANK POWELL'S opens at 2pm every day and the weekend is no exception. Tonight *Joe Dewart* pounds and smashes at the ol' 88s to the delight of his large and loyal following. He is just so good. A piano/cruise bar. Party with **FRANK POWELL!**

GALLUS LOUNGE offers up a Special on Rum tonight.

Hollywood Hots at the **LOCKER**

till dawn. The **LOCKER ROOM HEALTH CLUB** next door is open 24 hours a day.

GOTHAM! LAST NIGHT!! See the show that's **PACKING 'EM IN** at the **MAGIC GARDEN** Cabaret section tonite! It's your last chance to catch these wild and wildly talented guys (should I refer to them as a "three-some.?). An absolute **MUST** see! Also: **DiscoMania** goes on, too.

Just who does Dale down at **MUSIC CITY** record shop think he is..!? Already he offers the **MOST** Disco music in the South and a **HUGE** selection of most other types of music, but now he's giving away **FREE** wine on Saturday afternoons! That's too much. I spend too much money on records at **MUSIC CITY** now because of his bargains, just think what'll happen when he gets me tipsy! Help!

THE ONYX opens at 6pm tonight with "Tiger" and the **ONYX** Cast of Thousands in three sensational Shows! Shows at 10, 12 & at 2am.

OURPLACE presents the one and only *Diamond Lil* live and in concert tonight! They're having a big **Female Impersonation** show and she is the very special guest. Breakfast from 12 midnight to 3am.

Red-Eye International Brunch today from noon till 2pm and **Bloody Mary** is the Special drink today at **STEPHENS SALOON**.

THE SWEET GUM HEAD features their Star-Studded **Revue** tonight at 11 and at 1:30am. Hot shows!

ZYLITES, the new Disco, kicks out the walls tonight with a Saturday in Atlanta like you won't believe. It's their first Gay weekend and they plan to make it Special! Happy Hour from 10pm till Midnight with Every Drink only \$1.00!!
