TWT GOES BYE-BYE

TWT PUBLISHER AGHAST

TWT publisher Alan Geilman was aghast yesterday when his bankers called in their notes and called it quits for the once popular queer magazine.

"I just don't understand what happened!" he moaned when contacted by your gloating editor. "We were doing just fine fucking the queer reading public when this rag called QT hit the bars. They kicked our asses from El Paso to Texarkana and all tee rooms in between. We lost all our advertisers except the 651 Club to them!"

The QT went from a readership of 50 to 1.5 million in just three short months.

"I now know who Ray Anderton is and where Firt Worth is located!" bemoaned the ex-publisher.

TIME/LIFE MAKES BID

Time/Life Board Chairman Greedy Dicksucker announced yesterday that his Corporation has tendered a bid for QT Magazine.

Dicksucker said, "We want to corner the market on queer publications in Texas and this QT is the only group to deal with now."

QT Magazine has made a counter offer to the publishing giant with the stipulation that Time/Life becomes Queer Time/Life Inc.

Greedy Dicksucker indicated that the deal might become a reality in order to corner the market.

NEWT GINGRICH OFFERS CONGRATULATIONS

Speaker of the House of Representatives, Newt Gingrich, called to congratulate your editors today.

"I am glad you licked their asses because this is something I really like to do!" he related. "I never liked reading the TWT except for the pictures on the 1-900 number ads anyway! My lesbian sister used to smuggle me copies of this hideous magazine and I kept them under the bed except at night when I took them and a flashlight to bed with me."

"I can take the QT right into the chamber with me and read the QT and play with myself when the speeches get too boring. I almost got caught by one of the pages last Friday and he turned out to be on the cover of the QT."

Jessie Helms has invited all the gay men and lesbians to his house to see Newt's wedding next Saturday night.

PRESIDENT BILL CLINTON ASKED TO COMMENT

Your president was asked to comment on the fall of TWT. The secret service said that he was too busy balling Ms Genifer Flowers to make a comment at this time, however he would comment at his press conference after the ball.

KATHY SCOTT BACKS NEW EMPRESS

Local legend, Kathy Scott, builder to the Fort Worth community, recently announced that she is backing the new pretender to the Crown of the Empress XVIII of the Imperial Court de Fort Worth / Arlington, Miss Rayna Anderton.

"I wanted a really ugly drag queen to replace that hussy that was elected as our Empress last July," said Kathy when contacted by the QT recently, "It was obvious to me that only Rayna was ugly enough to really represent our community the way it should be represented."

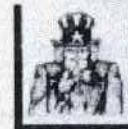

"I want an Empress that does not outshine the beautiful sets that I construct for every occasion that comes along," Kathy related, "and Rayna is ugly enough to make the city dump look good!!"

Her last comment to your editor was "Who the fuck is Ray Anderton?"

FORMER EMPRESS SHRINKS

Empress XVII, Pat "Cookies" Wyatt, has become just a "Chip" off the old "Cookies" recently when she went home with what turned out to be a genii from a bottle!

"I was just having the best old time with him when he suggested we get undressed. Well, we were in the boudoir when he asked me if there was anything I wished for. I said sure, how about a little head?" She related in a recent interview.

"All of a sudden, there was a big flash and wham! He was gone and I had been reduced to a 30 inch man. You can imagine my surprize. He didn't even kiss me goodbye!!"

Pat "Chip" Wyatt recently gained a new title as the smallest empress in the Court System.

"However," he moaned, "I can't wear my crown because it's too big and they don't make evening dresses in my size!"

JON JON CLIMBS BIG POLE

During the recent Cowtown Leathermen Run, The Return of the Night Heifer, popular President of the Leathermen, Jon Jon Gipe climbed his largest pole to date.

"It was GIGANTIC!!" said Mr. Gipe when reached by the QT."I couldn't believe it!"

"It was a good thing that I brought my climbing spurs to the run. You never know when you are going to find something like this" he breathlessly told your reporter.

Jon Jon spotted the pole as soon as he drove in the gate at the run. "I had to slide down everytime I reached the top," He realted. "It was so much fun I couldn't stop!"

The pole was identified as Igot Urs Hanging from Warsaw Poland. Hanging is 16" when lying down!

RAYMOND GILL HAS GROWTH REMOVED

Raymond Gill, Emperor XIV, has had a growth removed this past two years.

"I checked into Harris Hospital and had it removed last year" he beamed. "It was a complete success and didn't hurt at all."

JAY BECK WAS MISQUOTED

TGRA President Mr. Jay Beck was misquoted in his TWT article. In the article it was quoted that Jay had a big pussy.

"The article said that I had a big pussy and that it was really large and very hairy. I wish that they would get their facts straight!" He lamented recently in an interview with QT.

"What I told them was we created a Posse in the TGRA and that it had a large membership and most of them wore beards," he said.

Mr. Beck has received quite a number of phone calls from Igot Urs Hanging, a Bisexual man from Warsaw Poland.

Doing the removal was Nickem A. Lott, a graduate of Ft. Worth Barber College. A. Lott has practiced for 10 years in the area.

The growth was diagnosed as a hairy growth below the nose and a crown on his crown.

"I don't even miss it," he commented as he got into a dress for his latest outing as Erika Chatelaine aka Big Bird.

JIM STRONG PAINTS LOCAL LEATHERMAN

Local artiste, Mr. Jim Strong, recently painted local Leatherman and President of the Bovine Chapter of the Cowtown Leathermen, Amy Zon Zon.

"It was a real challenge to do this," Jim related, "It was hard to find a roller that was big enough to do the job quickly enough. You know she is a real hefty bovine looking girl with really big udders!"

Jim found the answer to his dilemma at the Fort Worth Painting Contractors and Bovine Beauty Barn Shoppe. The salesman Mr. Igotcha Numba was most helpful in selecting not only the proper equipment but the right shades of paint.

"I really wanted to do Amy in the basic bovine colors of black and white when that Numba suggested that Cow Tit Pink and Cow Patty Brown were all the rage in Amarillo this year. I always want to be in the latest bovine fashion so I knew that Amy would be the Bovine Belle of the Corral."

Amy Zon Zon when asked to comment on her painting said, "Where the fuck is Amarillo?"
