**Editor's Outlook**

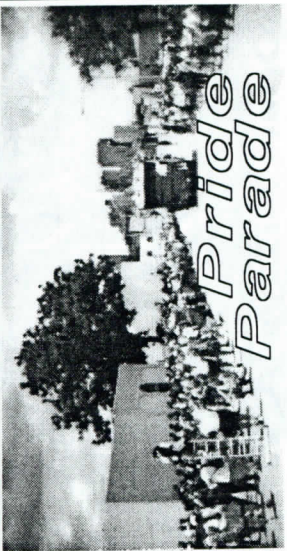

**A Damn Good Job**

It was the best gay pride celebration yet. This year, everything seemed to work like clockwork. Even the weather cooperated at the picnic. The gay pride officers and volunteers worked very hard this year, and they deserve one hell of a "thank you" and "pat on the back". It takes a lot of planning to do something like this. Great Job!!

**TEMPLE CONFESSIONS:** The summer is heating up for Hard Tymes. In fact, Rebound Magazine will host its' first Road Trip '96 Party at Hard Tymes on Saturday, June 29th. It's a benefit memorial show for Bill Horne. Our staff will be present with camera in hand, and we're giving away a Trip For Two to GAY DAY at the Isle of Capri Casino in Bossier City, Louisiana [which is on Sunday, August 4th]. Drop on in and say hello to the entire gang in Temple, and don't miss the show... See ya' there!!!

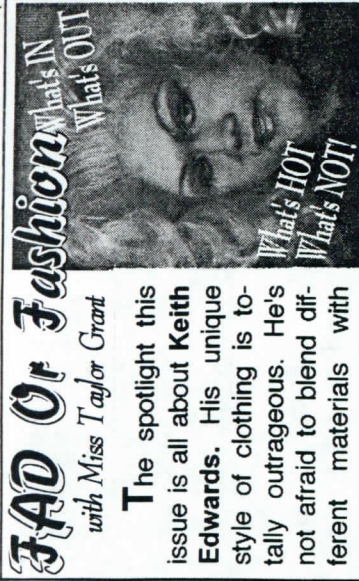

Hey boys, girls, and fellow drag goddesses... I'm DJ Quake. In this issue, let's start with Cher. I've always been a big fan of this Diva! Well, she has a new album coming out on June 25th called "It's A Man's World". I've had the great fortune of hearing two of the singles on import! The first was her remake of "Walking in Memphis". It was slamming! I was totally amazed by her luscious vocals and the delicious backbeats. I also heard "Not Enough Love In The World", and it made me quiver. Presently, she has an American single out called "One On One", and it is fabulous! You'll be impressed by the new Cher. She's making comeback with a vengeance!

Now, here's my review on the soundtrack to the hit movie "TWISTER". Well, it starts out with a new song by Van Halen called "Human's Being". I liked it, but I'm not a big fan. For all you drag fanatics, there is a cute song by that country diva Shania Twain called "No One Needs To Know". It's all about that fine man you've found and don't want to share him with all the other greedy queens! Now, I'm probably Tori Amo's biggest fan, so of course I loved the remix to "Telula". BT's tornado mix; it is fabulous. I love to

hear a dance beat behind Tori's longing vocals. Even Stevie Nicks came out of hiding and brought Lindsey Buckingham with her to do a soulful duet called "Twisted". I love that title! K.D. Lang has a track called "Love Affair", and it's wonderful of course. This soundtrack has a little bit of everything for everyone; from country to alternative to rock! It's a must have!!!  
Until next time...Keep Rumbling...  
Love Eartha Quake

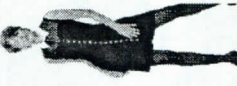

with Miss Taylor Grant

The spotlight this issue is all about Keith Edwards. His unique style of clothing is totally outrageous. He's not afraid to blend different materials with

different styles of clothing, whether vinyl with leathers or leather with lace. He even designs fake furs in numerous styles and colors. He is available for drag queens and female impersonators alike. If your going for freakish or feminine, you must have a Keith Edwards in your closet!

Oh No!!! Delta Burke, Miss Suzanne Sugarbaker herself has a fabulous plus-size line out for casual or formal wear. Go see for yourself at all fine department stores!!!

**Accessories:** For the latest in fashion, you must try the International Male catalog. It's packed with fabulous accessories. For heels, try Fredericks Of Hollywood or Electric Boutique located in Dallas.

**Eyes on Fashion:** This season's fashion is 60's cuts with 70's colors (big bold neon colors).

Anyone interested in learning more about gay fashion, just write!!!

Fashionably Yours,  
Taylor Grant

Write: P.O.B. 14322 - Arlington, TX 76094

**PANTY FEISH**  
Dear Stella & Caress,  
My mate has this weird obsession with underwear. I have even caught him writing to personal ads soliciting an exchange of briefs for their pair. This has really gotten out of hand. He recently went so far as to send some of my underwear to this one guy in the mail.  
A couple of days ago, the guy called telling me how good my briefs smelled. This has gone way beyond my understanding. I love my mate, but this is freaky!!  
- Panty Raid (Oklahoma City, OK)

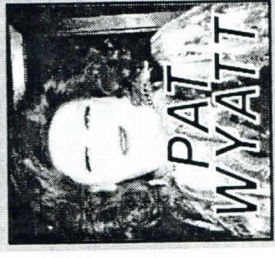

**Diloscopes**  
Avoid becoming roadkill like our dear friend the Armadillo. Here are the current Diloscopes!  
**GEMINI (5/22-6/21)** Love is on your side. Mates and admirers come easy. Just shake that booty & have fun.  
**CANCER (6/22-7/22)** Finances seem to be taking its' toll. Try a part-time job or rich boy/girl-friend.  
**LEO (7/23-8/23)** Things look okay. Exercise and sex are two areas you must work in through the 28th.  
**VIRGO (8/24-9/23)** You have developed an outspoken attitude towards others. It may just take its' toll on your circle of tricks, friends, and potential mates.  
**LIBRA (9/24-10/23)** Nasty is what describes you until the 23rd. Your erotic interests come alive in the sack with partners and those around you.  
**SCORPIO (10/24-11/22)** You may find yourself thinking about both males & females sexually. Fear not; this is only a cycle through late June.  
**SAGITTARIUS (11/23-12/22)** Yo-yo is what describes your emotional side through the 19th. Try to be calm with mates and friends to avoid arguments or fights.  
**CAPRICORN (12/23-1/20)** This is an excellent time to consider a relationship. Rewards come in great stride.  
**AQUARIUS (1/21-2/18)** Now is the time to select one mate among the many tricks on your list.  
**PISCES (2/19-3/20)** Look for an old friend or admirer to reappear into your life. Be careful!!  
**ARIES (3/21-4/20)** A change in career or home looks very positive for you through the 25th.  
**TAURUS (4/21-5/21)** An old friend from long ago fears you have forgotten them. Try making things right by sharing a night on the town.

Wednesday, May 15th was a blowout of entertainment. 651 Fort Worth

was jammed with people for the Annual Red Ribbon Show (benefiting Healing Wings). At first, I thought I saw a peacock on stage. It was Erika Chatelaine. She struts with the best of them. That-a-way gal friend.

I mistook Pat Wyatt for Shamu. I got a warning "...don't make me slap you Doglady!"... I quickly apologized....whew, got outta that one...

Emperor Michael Winchester was just short of gorgeous pictured with Hidden Door Bar-tender Bob of Dallas.

Mr. TGRA Candidate Terry Covington and Imperial Court Member Mary Beth really aroused the crowd with their entertainment as well. Sincere congratulations to the great line-up of entertainers and to the staff of 651 Fort Worth.
