Homosexual ART for Men who LOVE MEN!

1993 ONWARD TO THE YEAR 2000

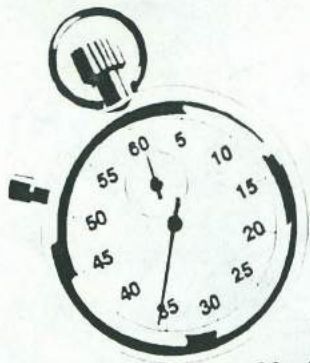

What's IN and What's OUT

The world is flooded with information, but the problem is there's too little GOOD information. Most of what you read is just vague generalities, guesswork and rehashed opinions. I would like to offer you an opportunity to become a member of an organization that cares deeply about the CONSEQUENCES of the Media and, therefore, the Public's perception that ALL GAY People are flighty, air-headed, irresponsible, drag queen/leathermen, sexual deviants! Cuz' nothing could be farther from the truth!!! As MALEMAN establishes itself in the community our focus will be to represent the "average" MALE man! Yes ALL MEN straight/gay/bisexual are MALE men who happen to hide themselves (u-know you've heard of those REDnecked sombitch's) in different shades of colors - OK GAY men are the most colorful, what's wrong with that?

Maleman Sez' become an Honorary Member of the BLUEBOY UNDERGROUND and help us to help the Community! IT's only \$10 for one year! JOIN NOW!

I can honestly say that INTEROTICA/MALEMAN FUNZINE is like no publication you have ever read. Even if, for some strange reason, you choose not to take advantage of our offer - you'd still find MALEMAN the most interesting, exciting, provocative and entertaining publication you've ever read too. Because it is NOT full of theory, political in-fighting, AIDS, abstract thinking, extremist subversive attitudes, and guesswork. Every issue is homage to the most fascinating rough-and-tumble sport in the world - FUN! & having FUN!

MALEMAN Sez' "Don't follow trends, Let them follow YOU!" We are here to set the stage from here to BEYOND the year 2000 - So throughout this issue look for "What's IN and What's OUT" and remember JOIN NOW! and HAVE FUN!

TIME IS RUNNING OUT!

You've got to hurry if you want to catch
the **MALEMAN!** Soon the Maleman will
be bringing the *Gay Swingers Funzine!*

"Should I or shouldn't I?" - What the hell kind of question is that!
You've seen our Ads, Selected one that interested you, I bet
you've even thought what it would be like to respond?
ASS SPHINCTER SAYS WHAT?

**Well you big dummy, leave the poetic "should I or shouldn't I"
to William Snakeshit. Don't be shy... Don't stop now! JUST DO IT!!**

**A lot of people, maybe yourself included, have stopped at
this critical point..... Because they think - Oh hell who cares!
WE DO! And we'll listen - Tell us what you think GOOD OR BAD!**

THE \$64,000 QUESTION?

**ARE YOU A MAN OR A MOUSE (I don't want to hear anyone say
"GOT ANY CHEESE?") SO GO ON.....WRITE ON BABE!**

Mind Your Manners - Everyone Else Does: Etiquette Test

Do you know the correct way to act in a given situation? Have you been given many situations? Could you give us one? Will boys be boys? Or Ghurls? Our situation is hopeless!

MULTIPLE GUESS

- Millions have seen the picture of Queen Elizabeth I stepping over a cloak put down by Sir Walter Raleigh. He put the cloak down because:
 - it wasn't his cloak - he'd borrowed it.
 - he was trying to invent chivalry but invented dry cleaning instead.
 - he didn't put it down - nobody ever heard him say anything insulting about the cloak!
- If the best tickets a guy could afford for a concert are in row ZZZ in the third balcony, the least offensive thing his date can say is:
 - "which direction is the stage?"
 - "I hope they're wearing football jerseys, because without numbers we'll never be able to tell who's who."
 - "Hey, don't worry about it! I can see really well up here. It's down there I can't see a thing."
 - "Do you have a handkerchief? I think I'm getting a nosebleed."
- The finger bowl....
 - should be well manicured and match the color of your boots.
 - should be no closer than six inches to the foot bowl.
 - was won last year by Slippery Dickson High, 42-10, over Dona Swallow State.
- You see three forks beside your plate. This means....
 - two people at your table don't have forks.
 - the dessert's not going to be Jell-O.
 - there's no way to stay off your diet tonight.
- You're on a double date at the Dollar Theater. Which is the proper seating arrangement?
 - Guy/Guy/Ghurl/Aisle/Ghurl/Stranger/Stranger/Wierdo.
 - Ghurl/Ghurl/Guy/Guy/Stranger/Pervert/Creep/Aisle.
 - Stranger/Ghurl/Pervert/Aisle/Ghurl/Stranger/Guy/Guy.
 - Pervert/Guy/Ghurl/Creep/Wierdo/Guy/Mass Murderer/Ghurl.
 - Ghurl/Usher/Pervert/Guy/Popcorn Seller/Masher/Projectionist.
- If the transportation the guy is providing for the evening is METRO, proper etiquette requires....
 - the ghurl to stand in the aisle so she won't wrinkle her outfit.
 - the ghurl to have correct change only after 6 P.M. and on weekends.
 - that you select a bus the way you select a fine wine - sniff the diesel fumes - until you find a bus with the right bouquet and character.

7. There are two spoons on the left side of your place setting. This means..
 - a). the first course is soup and so is the second course.
 - b). you're in the wrong banquet hall! This is the one for the A.A.P.F.T. the American Association of Patsy's with False Teeth.
8. If the ghurl's having a truly dreadful time on her first date with a guy, it is entirely acceptable for him to....
 - a). take out a book and start reading it.
 - b). go to the nearest library to borrow a book and start reading it.
 - c). stuff cotton in both ears and put on a sleep mask!
 - d). borrow a quarter from him to go call that guy he wishes now he hadn't turned down.
9. He's invited you to the family reunion. You should wear....
 - a). some designer's jeans.
 - b). your own jeans.
 - c). a coat and tie.
 - d). just the tie!
 - e). a long dress, a long coat, and long-johns.
10. If the guy hasn't told you specifically where you're going on your date this Friday night, you should dress....
 - a). up.
 - b). down.
 - c). at home before he calls you.
 - d). in a layered look and hope that one of the layers will be appropriate for wherever you're going.
11. You're at one of those restaurants that won't admit people unless they're wearing a coat and tie. You don't have a coat and tie. The best thing to do is....
 - a). try to borrow a coat and tie from your boyfriend.
 - b). borrow a ballpoint pen and draw them on your tank top.
 - c). turn around and go where all they require is what you're already wearing - a shirt and shoes.

ANSWER KEY:

Answer F was correct in nearly all cases. In fact, the number of times it wasn't the correct answer you could count on the fingers and thumbs of both hands. Most of the time when F wasn't the correct answer, G,H,I, or J was. Every time you put F as the correct answer give yourself an F. Every time you put A as the correct answer pat yourself on the Ass. Every time you left an item unanswered, give yourself 10 points. Every time you stopped and said to yourself "this is ridiculous!" give yourself 20 points. Every time you put the MALEMAN Funzine down to do something constructive, subtract 50 points.

FEELING ROMANTIC? DEEP THOUGHTS....

Hey what the hell happen to the good ol days of ROMANCE? Seems nowadays people want to screw first and maybe get to know ya.... U-know what I mean? What the hell! I understand it takes quite a while to get to know someone..... course 15 minutes of passion..... you may not want to get to know the Teeny Weeny; on the other hand what if it's a HUNK..... OK, I'll take the 15 minutes CUZ' SHEEYAT! Dude may not want to take time to get to know ME! U-know what I mean?

Almost seems like a CATCH-22 situation.... I am sure quite a few of you can relate! However, I'm still inclined to think flowers and shit like candy are pretty COOL! "CLASS" like "GOOD ASS" is always in good taste or is that "taste good"? Well candy is dandy.... but a hot licker is quicker!

I know one thing is a DEFINITE BONER.... ROMANCE IS IN! Hey, if you are reading this and you are involved in a romantic relationship, or, if you had a wonderful WEDDING... WOULD YOU PLEASE DO US A FAVOR - SEND US PHOTOS AND WE'LL PRINT A GAY WEDDING PHOTO FEATURE IN THE UPCOMING HOLIDAY MONTHS.....PLEASE! Let's show the lil' BLUEBOYS that ROMANCE IS ALIVE!

We want to feature REAL PEOPLE with REAL ROMANTIC IDEAS... This will help some guys "break the piggy bank and BUY A CLUE!" If you do this we'll place a love message for you in our "Heart to Hardon" Section.... Leave a special love message for your mate, lover, boyfriend, last nights trick, the trouser trout that got away....whatever.....LET'S HAVE FUN! BUT PLEASE...TRY TO BE ROMANTIC..OK? IT'S FREE..... to those that write us with their "ROMANTIC IDEA"

THE AMERICAN TRAGEDY

There is enough dick to meet the demand, but because the culture enforces heterosexuality and forbids homosexuality, it often happens that those who don't want any get it and those who do, don't.

The "SEX CRIMES" department of a single issue of the San Antonio **EXPRESS-NEWS** contains these examples:

A woman told police a man said "Here, take this" as he pulled down his pants and "exposed himself."

A 28 year-old woman reported that she "found a man staring at her in her bedroom." the man said "I want to do it to you" She screamed and fled.

"An 11 year-old girl awakened to find a stranger sitting on the floor, staring at her." He told her take her clothes off, and raped her.

"A girl 13, said a boy she was talking to outside her apartment window suddenly crawled inside and indecently touched her."

MILLIONS OF MEN would love to have indecent boys crawl in through their bedroom windows, to awaken and find a stranger who says "I want to do it to you," and to have a man drop his pants and say "Here, take this."

Millions of men would also love to be "dragged" by two men into a place as butch and sordid as a garage, and then "sodomized." But when this happened in the 4900 block of Forest park Boulevard in St. Louis, it happened to a man who didn't want it, and reported it to the 9th district police.

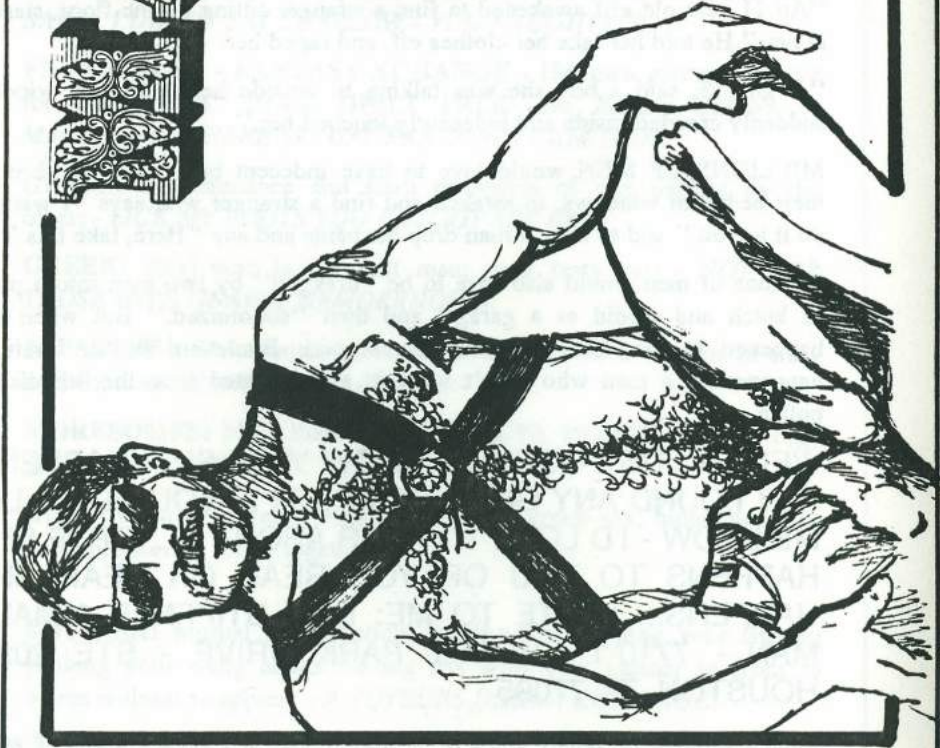

WELL IT JUST GOES TO SHOW YOU! SHIT HAPPENS! HEY FOUND ANY GOOD FRIENDS? IF YOU DO..... LET ME KNOW - I'D LOVE TO HEAR ABOUT IT... OR IF SHIT HAPPENS TO YOU OR YOU READ OR HEAR SHIT HAPPENS... WRITE TO ME: ROD STIFFNER %MALE-MAN - 7710-T CHERRY PARK DRIVE - STE 202 - HOUSTON, TX 77095

WHAT'S
IN

What's IN and What's OUT

TAX AVOIDANCE WILL BE "IN"

Putting lots of money in tax-advantaged savings and retirement accounts - including foreign bank accounts - will be IN. The status symbols of the 80's-fast-track life - expensive cars and suburban houses - will be OUT.

Cash will be IN. But the dollar will be OUT. And long-term U.S. Treasury Bonds will be the worst place to put your money for retirement.

~~WHAT'S OUT~~

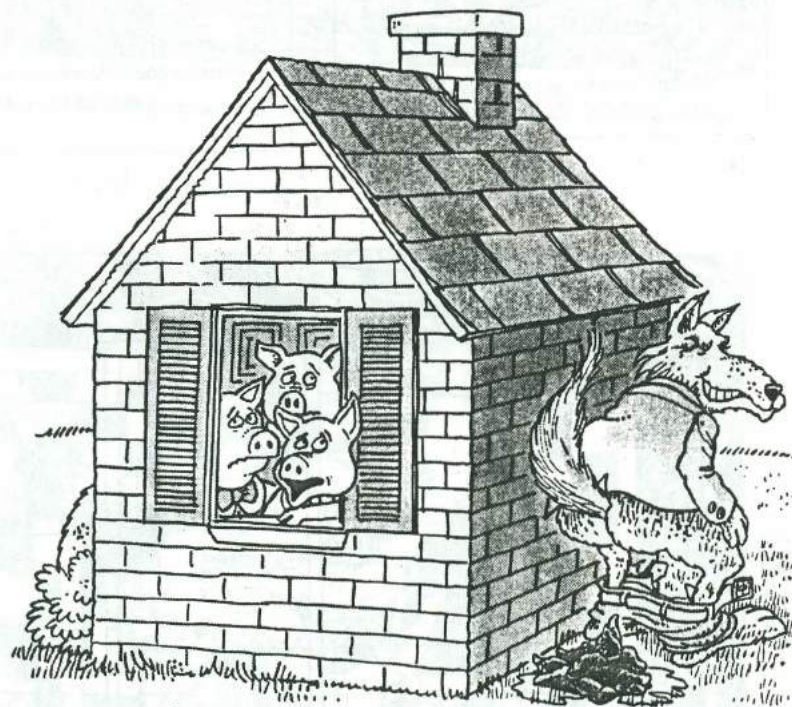

What's IN and What's OUT

MOST STOCKS ON THE NYSE WILL BE OUT

A few stocks will really be IN, but most of today's Big Board stocks will be OUT.

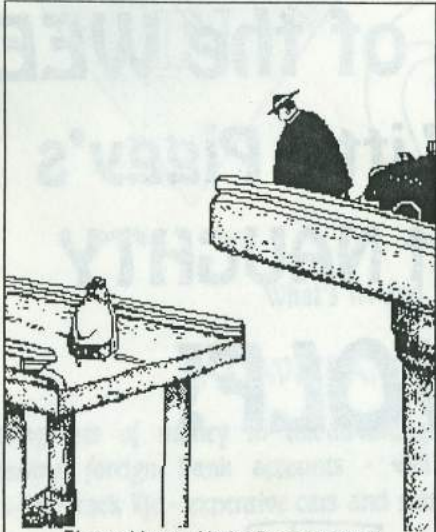

China, Vietnam and Latin America will be IN. Europe will be OUT, as countries in the European community sink into an economic depression.

FAIRY FUNNY Cartoon of the WEEK The 3 Little Piggy's & that NAUGHTY WOLF!

FAIRY FUNNIES

What's IN and What's OUT

THE UNDERGROUND ECONOMY WILL REVIVE; the underground economy and the barter system will be IN. As people move into smaller towns and communities, they'll trade more goods and services. Some people will get paid under the table. Others will take goods and services instead of taxable cash.

WORKING AT HOME WILL BE IN; More men and women will both work "inside the home" - and make more money at it. Going to work in an office - especially commuting long distances - will be OUT!

What's IN and What's OUT

TOTAL INFORMATION SYSTEMS, the BEING -THERE WALL and INTER-ACTIVE VIRTUAL REALITY WILL BE IN.

Business meetings - and business travel - will be OUT, and by the year 2000 become practically a thing of the past. Companies will stop paying for airline tickets and hotel rooms.

Travel for pleasure, on the other hand will be IN. Aging baby boomers will take to adventure travel tours - geared for walking, trekking, bicycling, boating, rafting, fishing, skiing and hiking all over the world.

"SUPPORT YOUR LOCAL HOMO"

That's right, become a Blueboy Underground Honorary Member and help to "Support Your Local Homo" Join now for only \$10 per year, and we'll send you

- An official Blueboy Underground Membership Card.
- Special discounts on membership services.
- Special savings on merchandise.
- Private Party Catering services.
- Reduced ad rates in Maleman Funzine.

Since it is both our policy and belief that Blueboy Underground return something to the community to which we serve. We believe it is our Corporate responsibility to hire PWA's and HIV Positive people. Therefore your contribution and support is needed and necessary. The membership sales will help to defray the labor costs and payments to PWA's for their hard work!

Since we are a for profit corporation, and we have no intention of becoming a Non-profit corporation, hiring PWA's is an alternative way to directly affect "our" community. In addition, we are somewhat restricted - we can't "WRITE" about AIDS stories (unless world-breaking news is announced). We have chosen to "SUPPORT YOUR LOCAL HOMO" by actively engaging in an open policy of hiring "PWA's that need to have:" Flexible hours, varying schedules, work at your own pace, little to no supervision, Work at HOME, light wrk, or "someone who understands that one's work is usually associated with ones worth" or "We understand you have pride and only wish to be useful by utilizing your skills - only on odd schedules, and dependent on health considerations."
