Gemini (May 21-June 21) Are you finally ready to step out of that self-imposed shell, Gemmy? The world at large has really missed you. After all, what's a party without Gemini's wit and charm? Dress to the hilt on Saturday night, because the spotlight will be shining on you. This entire week shall be extremely fast-paced and eventful.

Cancer (June 22-July 22) A week contains 168 hours, so you may actually be able to put aside a few for relaxation. But, your services and expertise will be in constant demand. Be careful not to run on "empty." That cute Capricorn would just love to be asked out, but you need to take the initiative. Buy that pair of daring jeans.

Leo (July 23-August 22) Right up until the 8th is a splendid time frame for bringing projects to a natural conclusion. Neglecting loose ends can trip you up now. Patience is far from your strong suit, but it's badly needed. Watch what you say on Sunday or there could be hell to pay. Your significant other deserves some praise.

Virgo (August 23-September 22) You've been through the ringer but have passed the test beautifully. Now, it's time to celebrate and pat yourself on the back. The boss is most impressed with your work performance. Look up the word "date" in the dictionary and see if you can't land one for this weekend. Ask a Sagittarius for help.

Libra (September 23-October 22) The week begins with thunder and lightning, but switches to a lovely rainbow by Sunday night. Avoid harsh words at all costs on Saturday, especially with difficult family members. An old friend has some very surprising news to tell. Don't get too close with that current squeeze. It won't last.

Scorpio (October 23-November 21) In a battle of wills, few signs can beat you, Scorp. But, sometimes being too determined can get in the way of your progress. Listen to what others have to say before rushing to judgment. You need to lighten up a bit more, especially if you expect to become involved in a meaningful relationship.

Sagittarius (November 22-December 21) Last week's eclipse in your sign is still creating quite an energy buzz. You've rarely been more charismatic or charming. It may be wise to find a new hangout this weekend, particularly if you're on the prowl. You have plenty of money to play with. Ask that sweet younger guy out!

Capricorn (December 22-January 19) Increased responsibilities and pressures at work are beginning to take their toll. Schedule a nice massage this weekend. Those muscles need it badly. Accept that invitation for Sunday brunch. It'll prove to be very stimulating. Double check the balance in your checking account. We sense an error.

Aquarius (January 20-February 18) Along with Sag, you'll be the most charming sign in the zodiac all week long. Just don't date everyone in sight (even you have limits). Get plenty of sleep Friday night, because the weekend looks to be a long social whirlwind of activity. Get rid of that old cologne and buy something exotic.

Pisces (February 19-March 20) Money-making ideas seem to flow like a stream from that mind. Be sure to write them down, Pisces. It looks like you won't be flying solo too much longer, by the way. It's nice to see you're letting those defenses down a bit. Take Tuesday off from work if possible. If not, hide out in a supply closet.

Aries (March 21-April 19) As the new month begins, expect to feel some confusion as to what direction your career is taking. Don't make any rash decisions, especially where finances are concerned. There's much less confusion after the 4th. Don't be too critical of a friend who has a different point of view. Love is nowhere in sight.

Taurus (April 20-May 20) It probably feels as though your everyday patterns are locked in and a bit confining. Regimentation is fine, but spontaneity is needed as well. Try to be more flexible where employees are concerned — good help is so hard to find. Don't overdo the partying scene this weekend. You need a break.

Bill has been a psychic reader since age 5. He is a certified astrologer and a Reiki healer (master level). He is available for phone and Internet readings, and also for parties and all sorts of promotional events. He can be reached at 954-527-5820 and by e-mail at mcentaur35@aol.com.
