feature

The Easter Bunny isn't the only one who keeps busy on a late weekend in April. All Houston drags its cottontails out from Thursday to Sunday to celebrate the Bayou City Boys Club's signature party, Jungle 11. This massive event — which begins with activities and killer club parties set for Meteor, Rich's, Boaka Bar and Mercury Room, and South Beach — culminates with the Saturday night bash at the Verizon Wireless Theater.

Jungle 11 is not just a dance party that rings in Spring and rings out the season of Lent, but a fund raiser benefiting numerous charities. Casa de Esperanza de los Ninos, AIDS Foundation Houston, AIDS Coalition of Greater Texas, HIV/AIDS Education and Service of the American Red Cross/Greater Houston Chapter, Colt 45's and Montrose Clinic are this year's deserving recipients of ticket-sale proceeds from the event. In a year marked by a decrease in charitable giving, this is an excellent way literally to dance for good causes.

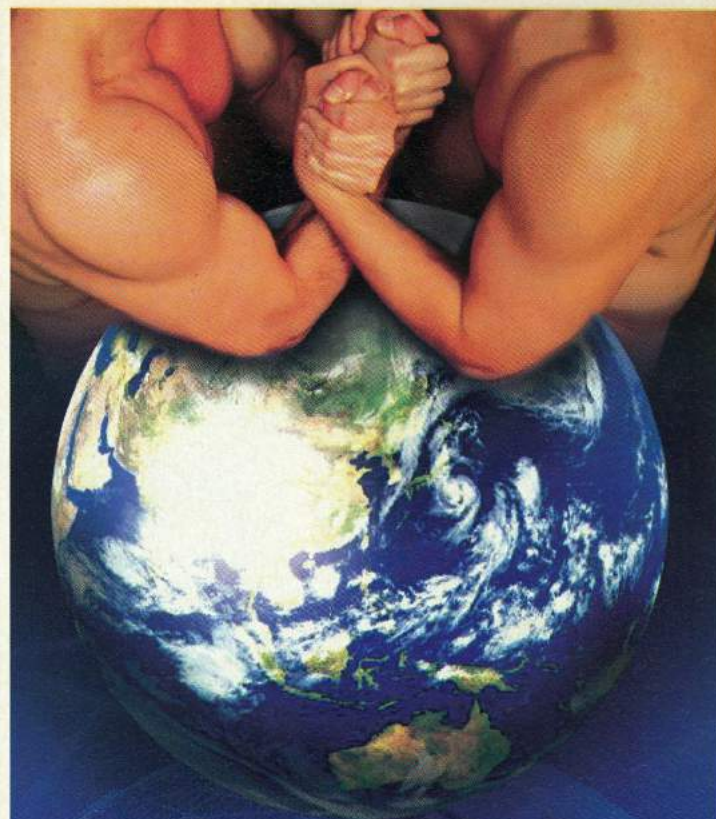

manned the turntables recently at San Diego's Zoo Party, Miami's White Party and Fire Island's Pines Party, to name a few. He'll be on hand to lend some high energy music that'll blast your bunny ears. Also on hand is the incomparable Circuit Mom, who makes her Houston debut.

You can start swinging in the jungle starting Thursday, April 18 with the "no cover" kickoff party at Meteor. The theme continues Friday with Gather the Tribe at Rich's Houston, featuring Los Angeles DJ Roland Belmares.

After Jungle, seek out a Tribal Communion at Boaka Bar and Mercury Room for the Sunday morning after party. The weekend concludes as explosively as it began: South Beach has nabbed Barry Harris of Thunderpuss to spin discs for Tribal Lust. Weekend passes are available from \$95 to \$200, or you can pay for individual events in advance or at the door.

And dance you will. Saturday night's main event features Circuit DJ Monty Q. The Miami Beach sound maven, has

It Takes Us All... — Mr. and Miss BRB 2003 present a show at Brazos River Bottom benefiting the Montrose Clinic on Sunday, April 13 at 8:15 p.m. that shows it really does take us all.

Den Of Iniquity — The National Leather Association's Houston branch holds its Spring Iniquity XII event this weekend. The fun starts at the Ripcord at 9 p.m. on April 11, and goes through April 13. It's an anniversary party, so everyone is invited.

Biker Bash — If you've got a motorcycle, you'll want to park it in front of Mary's starting April 25 and continuing all weekend. Hogs and all others are welcome to join in the food, games and the inevitable photo opportunity. The buffet reception starts Friday at 8 p.m., with Pride Rides at noon Saturday & Sunday.

Jungle Fever — Easter weekend will be busy and wild as Jungle 11 gets underway. The fun kicks off on Thursday, April 17, at Meteor, and heats up on Friday, April 18 with Gather the Tribe and Roland Belmares spinning discs at Rich's. It culminates Saturday, April 19, with Jungle 11 Tribal Heat and DJ Monty Q, but it doesn't stop: Be at South Beach on Easter Sunday, April 20, to dance, as Barry Harris of Thunderpuss serves at DJ.

Easter Bunnies — The charitable organization Bunnies on the Bayou will be holding its 2003 Easter event Sunday April 20 at the Wortham Center. Funds raised will benefit Q Patrol, HATCH, PAWS Houston and a half dozen other agencies. Turn out at 2 p.m. to show your cottontail and support.

Madonnas Newest — There are CD release parties, and then there are Madonna CD release parties. The Material Girl's latest, *American Life*, gets underway Friday, April 18 at JR's Bar & Grill with giveaways from 9 p.m. to 1 a.m., with happy hours from 4-7 p.m. and noon to 10 p.m.

Model Citizens — Calendar models have to come from someplace, and Fridays at Inergy are a good place to start. Regine Simone hosts the Pretty Hot Boy search for Mr. January through Mr. December, and in addition to the glory, winners receive cash rewards.

Directory

Aries (March 20-April 19) The week will slowly build to an inevitable peak with a Full Moon in your sign on the 16th. Stick to your guns where a difficult employee is concerned. Since your investments look fairly stable, don't go looking for any speculative ventures. You'll need to be charming on Monday in order to get your way.

Taurus (April 20-May 20) As much as you love to help out a friend, it's not wise to become too caught up in other people's problems. A recent family trauma will heal over time. Don't be afraid to shed a few million tears over this. You'll need to unload in a major fashion this weekend. Call up a best buddy and make plans to meet.

Gemini (May 21-June 21) That dual nature is put to the test this week. Part of you wants to just go off and play, while the responsible half knows that there's work to be done. A compromise is in order. Burn the midnight oil right through Saturday night and then put on your party hat for Sunday. That way, all of you will be happy.

Cancer (June 22-July 22) With so much time spent on work, chores and workouts, it's no wonder your social life has taken a back seat lately. Do you remember what an actual date is? Variety is the spice of life, Cancer, but you've been nibbling on half a loaf. Break out those dancing shoes and prepare to cut loose on Saturday.

Leo (July 23-August 22) Much is accomplished over the next several days, but the pace will be deliberate and maddeningly slow at times. Not much can be done about this except to grin and bear it. Stop taking frustrations out on your sweetie — it's starting to cause problems. The two of you require more quality time together.

Virgo (August 23-September 22) Clear and uncluttered communications are vital for making career headway over the next two weeks. Take nothing for granted and check out each fact and figure twice. Leave the calculator and PC at home when you go exploring this weekend. Isn't there someone special you'd like to ask along?

Libra (September 23-October 22) Planetary energies look quite smooth right up until Sunday night. Once that Full Moon pattern kicks in, however, you'll be tempted to run for cover. Keep to yourself on Monday night. Avoid clashing with that charming supervisor on Tuesday. It's time to start shopping around for a new mattress, Libra.

Scorpio (October 23-November 21) Let's just say that the next seven days will show the world what you're made of. You've certainly trained hard and studied everything in sight. This will help you sail through the storm of activities coming from over the horizon. This week is made for hard work and sacrifice. Next week, you get to play.

Sagittarius (November 22-December 21) It appears that money is coming to you from so many different sources (via hard work, of course), that there's hardly time to count it all. Make the time! Priorities are straight, at long last. Pay the monthly bills and put all the rest aside for that late April getaway. By the way, you look great.

Capricorn (December 22-January 19) You'll need to play peacemaker at various times during the week. It'll surprise no one how adept you've become at this job. Although victory seems to be within your grasp, watch out for a jealous competitor. Be careful whom you confide in, especially at work. Remember, the walls have ears.

Aquarius (January 20-February 18) This looks like the ideal weekend to go shopping for furniture. That tax refund really did come in handy, Aquarius. Along with Sagittarius, you're the most restless spirit in the zodiac and easily prone to boredom. Avoid giving advice where it hasn't been requested, no matter how difficult this may be.

Pisces (February 19-March 19) You'll want to spend much of the weekend in solitude or a quiet place. Good luck on that one, Pisces. You're too popular to be left alone for very long. You'll manage to squeeze in a few precious hours here and there. Eat smaller meals instead of two enormous ones to help speed up that metabolism.
