From the desk of:
 The Official Miss Gay America 1977
 Jimmy H. Dillard
 3021 Knight Street
 Apt. 209
 Dallas, Texas 75219

To the people of the Metroplex and surrounding gay communities:

I can only express my deepest gratitude for your overwhelming acceptance to the selection of me to serve in the capacity of The Official Miss Gay America in the year of my reign, 1977-1978.

Through you, I feel there will be strength in both your faith in me and the organization it and all others like it stands for. This being the respect and equality truly afforded us if by nothing more than laws not yet written.

Let us continue to support those organizations whose birth was brought about as a means to strengthen and unite the gay community.

Let us not say, "these things do not concern me," for if you're a gay individual, these and all other functions should very much concern you.

Yes, my gay brothers and sisters, I stand with you and as your representative I can promise you:

To stand tall in the event of strain which may occur during the year

To assure the gay public that my time and talents will be available at anytime to functions or organizations, straight or gay, which in some way bring about a better understanding of our often misunderstood community

To totally ignore those who would intentionally, or through idle gossip or maliciousness, try to malign or bemean my title and the great contribution I feel Miss Gay America has provided in the way of better relations whether gay or straight, and in the very apparent strength which has grown from it

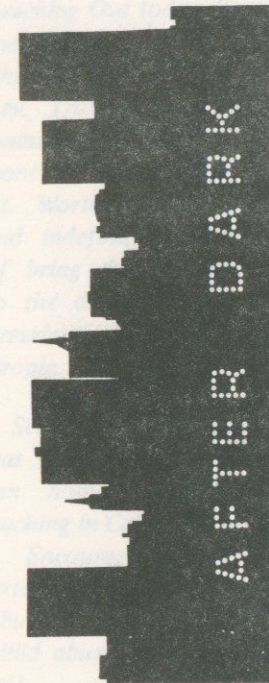

To try, through my traveling, lectures, interviews, or the like to make as significant a contribution to the gay community as my worthy peers before me, whose contributions cannot be counted.

I thank you,

Jimmy H. Dillard

FORT WORTH NEWS

The Rev. Jerry Sloan called Reaching Out today, Sept. 11th, and informed us of his plans, which coordinate with those of Rev. Troy Perry in Calif., to maintain a fast and vigil in front of the Federal Bldg. in Ft. Worth, around the clock and indefinitely, in the hopes of bring the following points to the direct attention of the President, Congress and the People.

1. Senator Briggs of Calif. has introduced a bill to ban homosexuals from teaching in Calif.
2. Encourage President Carter to establish a Child Abuse Panel. (95% of all child abuse is heterosexual)
3. Induse the Federal Bureau of Prisons to allow gay literature and the services of MCC to gay prisoners.
4. Apply pressure to Judge Mahon to render decisions in civil rights cases concerning gays that have been before him for 1-1/2 years.
5. Bring to the attention of Jim Wright and Dale Milford that they DO have gay constitutes and reverse their decision on the McDonald Bill.
6. Repel of 2106, Texas Penal Code, regulating sexual conduct.

Rev. Sloan will only drink water during his fast and vigil. He hopes that every gay person will skip a meal and bring him the money at the Federal Bldg. in Ft. Worth.

Rev. Sloan will conduct communion at noon and 8:30pm.

MORE POLITICAL ACTION FROM D.G.P.C.

Members of D.G.P.C.'s Political Action Committee, Viv Armstrong and Louise Young, attended a Democratic Party Leadership Conference held August 26 & 27, in Austin, Texas. They participated in "how to" seminars concerned with how to: use the media, press, printed matter, telephone communications, key precincts, get out the vote and various other campaign tactics. They also met several top state Democratic Party officials; U.S. Senatorial candidate, Bob Krueger, and potential opponent, Joe Christie.

Louise and Viv feel the information gained will aid the D.G.P.C. in its efforts to elect candidates who favor gay rights.

President Steve Wilkins, and several members of D.G.P.C. attended the Texas Gay Task Force regional coordinator's Council meeting held September

10, in Dallas. Established in 1974, the T.G.T.F. is a statewide organization which promotes communication and coordination among Texas gay organizations. In keeping with its purpose, the council formed a legislative committee with representatives from all regions to coordinate our legislative efforts in the state. Louise Young was named the north region's representative to the committee.

Various caucus members report that they are receiving letters of appreciation from U.S. Representatives, Jim Maddox & Barbara Jordan. These letters acknowledge their receipt of our letters thanking them for their vote on the McDonald Amendment of the Legal Services Corporation Funding Bill, in June.

Speaking of legislators, the Dallas Gay Political Caucus is sponsoring a rally at the Metropolitan Community Church, on September 30, with special guest U.S. Representative ELAINE NOBLE, D. Mass., Elaine is the first openly gay person elected to high public office in our country. She is also Assistant House Majority Leader in Mas-

sachusetts, and a board member of the Gay Rights National Lobby.

For more information attend the next meeting of the Dallas Gay Political Caucus, at the Metropolitan Community Church, Monday, September 19th, at 7:30 p.m.

COMING OUT ALIVE

by
Phil Barnett

"Innocent As
the
Driven Slush!?"

Arrested in the Park! Again!! Really now, that IS serious. Several of my friends, at times, have fallen into that trap and have suffered because of temptation. I am going to attempt a survey article on the gay arrested in the parks, etc.

Everyone needs to be informed about what to expect at the hands of the law 'downtown,' and how much a charge can cost them. Needless to say, those persons confiding this information will remain anonymous. I don't want names; I want information. No, I don't want to know what

someone did in a "Tea-room!" I certainly couldn't print it if I did. However, if it's especially 'lurid,' I'd love to hear about it. Oh, my tired blood! MY NERVES!!!!

Besides the embarrassment, the cost of morals charges has inflated. One may be charged anywhere from \$150.00 bond to \$4,000.00. That bites deep. Depends on the judge involved. If his lumbago or gout is bothering him, he may really sock it to you. For heaven's sake, don't let

your giddy, gay nerves run to panic! They frown on fairies and reach for that ole legal flyswatter. Play it cool and calm and keep your lawyer's number written on your wrist. Hang it on your charm bracelet or on your anklet chain. No, not on those leather snap-on things. They take everything away from you. There

goes the manicure set and the mascara.

I am serious! I DO want information and it will be a thought-provoking article. I will want to know things like: where you were, were you approached or did he make the first move, what was his attitude toward you, treatment after the arrest and treatment downtown, amount of bail and legal fees.

If people know what they can expect, the terror and panic can be handled calmly and with more dignity. If you are scared witless, you may say something that can create more problems.

Reach me through REACHING OUT PUBLICATIONS, P.O. Box 5290, Dallas, Texas, 75222, or call me at 528-7241, any day.

Peace and health,
Phil

T.J.'S JUGGLES JUGS by Peppermint Patti

Okay, people, I promised you an exciting game, and that it was as T.J.'S put it to JUGS, 20 - 9.

The game started out at an even pace as JUGS scored 3 runs in the 1st inning. T.J.'S scored runs in the 2nd inning. With a 'no score' for JUGS in the 3rd, T.J.'S slammed 4 home to make it 7 to 3 at the end of the 3rd. By the beginning of the 4th inning, you could tell that it was going to be an unforgettable game as JUGS tied it up with 4 more runs. But T.J.'S just couldn't wait to score as short-stop, showed her love for the game, stealing bases like a thief in the night, and scoring!

The 5th inning was fun to watch as JUGS player, Lynette (after scoring a single), actually crawled halfway to steal 2nd base, getting her fingertips on base just before the ball arrived. What a reach!!

Late arrival, Norma F., really pepped up the game at center field as she backed up 2nd base with great style.

Now JUGS, scored only 1 run in the 5th, while T.J.'S just kept piling them up with another 5 runs. Cody, T.J.'S pitcher, held JUGS to one run once again in the 6th, and proceeded to score 7 more runs although 3 of the 7 were walks.

The game ended in the top of the 7th as JUGS got on base, but failed to score before T.J.'S pitcher, Cody, pulled 3 outs to end the game 20 - 9.

Now the game itself wasn't the only thing to watch that day.

Mitzi's Irish Setter, "Shady Lady," showed up as mascot for JUGS. What could that mean? Also, a great sight to see was T.J.'S cheerleaders, Kim and Windy. Great lungs, girls. Loved those skirts!

Also, many thanks from both benches to the scorekeepers, Debbie and Sue. And we can't forget the two great field 'umps', Jan and Wynn Sikes: a great couple, even on the field. Also, thanks to home base 'ump', Robert.

A special rate of my own to Brandy (1st) and Sharon(2nd) for JUGS played a really great game and showed a lot of pep and spirit. And T.J.'S pitcher, Cody, is hard to beat, and Marla, I love the way you continuously steal bases. And I can't forget to mention the spectators. Great crowd! That's the way to unite and support your teams.

Next game: T.J.'S vs. MAIDENHEAD, then JUGS has called a rematch for T.J.'S, as owner, Joe Elliott said, "We were just leading them into a false sense of security." Details on upcoming games to follow next week.

Fonda Menn*

What's this? A meeting of the "minds" at the V.F.? Really you oughta GET A GRIP!!!

G.M., Helen, H.R. and friends, what did you "LASSO" last week (and at \$30 a toss)?

F.C., R.H. & R.L.: beware of the "hole card," you might get a Joker.

B.P.: it's a little bit late to start showing more faces than one. For shame!!

B.L.: what's keeping you away? You, too, L.L. (now L.H.), and M.R.H. (P.S. congrats on your holy union.)

J.H.: you lost one vote. Are you ready to lose another? My dear, how you can "run on!"

And Kit, just exactly what do your models have to do to qualify for the Style Show (besides an intimate little inseam measurement?) Really, all that dressing room "activity" should be toned down.

FONDA hears that Linda stripped off the top of her wedding gown at the MAIDEN-HEAD. Girlfriend, how rude!!

Mary, what was written on the back of your wedding cake? Tea for days. . . and Fonda knows!!

Really Craig, wear anything but a white terrycloth "sun suit!!!"

Congratulations to Chuck and Curt on 8 years of married bliss.

S.M. . . . Fonda's watching. . .

The Fond-a-ward this week goes to Polack, of Chuck's TRUCK STOP, & Dennis, of SASSY'S, for upholding their convictions.

Fonda's other "award," Homophobe-of-the-Week, goes to the "gay organization" that functions outside the Texas state laws.

R.G.: had anyone over for a 'three-way' lately??

FONDA hears that the cutest bartender in town is now at the RAMROD.

C.D. & C.J.: FONDA hears that your new apartment will have mirrors for DAYS! How sensuous!!

Congratulations, R.B., on your new car. FONDA hears that C.D. has a "cute little tail."
