***We're
ready!***

After a year of careful planning, the wait is finally over! Sue Ellen's will open on Thursday, January 19, 1989. Designed specifically with women in mind, we hope you will be impressed with what we've done. Our club offers you, the women of Dallas, a place of your own at the Crossroads.

You can expect an upscale environment, unparalleled in the history of Dallas women's clubs. We will feature ample lighted, secure parking for your convenience.

The Crossroads has traditionally provided quality establishments for the past decade. Sue Ellen's is our initial venture into the female market, marking an important first for both our company and the gay community, and for this we are very proud.

We look forward to seeing all of you at Sue Ellen's, for the ladies of Dallas!

GET REDDY

Helen Reddy to appear at Village Station

DALLAS — International superstar Helen Reddy sings her #1 solid gold hit "I Am Woman" along with "Ruby Red Dress" and many others live on the Village Station stage on Thursday evening, June 25. It'll be a benefit for the

JOCKS, DION, CASH-MONDAYS

DALLAS — Whoever said no one goes out on Monday nights hasn't been to Village Station, where the steamy action of the weekly Jockey Shorts Contest hits the stage.

Winners receive cash prizes, said emcee Dion Martell. Dancers wishing to enter were asked to contact Village Station prior to each week's contest.

"There are really some very hot guys on stage dancing their asses off for cash," said Martell, a recognized devotee of

what's hot and what's not when it comes to young lads.

In addition to the hot show on stage, customers continue to be treated to quarter well drinks and beer all night long.

Jockey shorts, Dion Martell, 25¢ well drinks, quarter beer and the hottest light and sound show in the metroplex—that's the big attraction at Village Station which keeps blue Monday from being anything other than the hottest place to be in Big D.

Star Sentinel

JUNE 12, 1987

FOR HELEN

1987 Texas Freedom Parade, the *Star-Sentinel* was advised. "Please come and show your support," manager Kathy Jack invited.

The Helen Reddy Show is an SRO Production, said promoter Keith Kuykendal of Dallas. It promises to be

a sellout just like the first time she appeared on Cedar Springs, he stated.

Helen is one of the biggest acts to ever play Village Station, direct from the heartbeat of show business to the heart throb of Oak Lawn.

BOOM BOOM BOY PAUL ON STAGE

DALLAS — Village Station amps will be at high decibel and the boom boom bass turned up to the max this Saturday night, June 13 when new singing sensation Paul Lekakis belts out his hit, "Boom Boom Boom, Let's Go Back to My Room" live on stage before his screaming fans.

It will be Paul's Dallas premiere appearance, another big first for Village Station, said Pearl Lewis, editor of *Pearl Speaks*, a new Cedar Springs tabloid of inside information and previously untold stories.

Owner Denis Weir said, "There will be no increase in cover for Paul's performance." It's Frank Caven and Weir's way of saying thanks to Dallas for making the Village Station the number one bar in Texas, commented Lewis.

Sue Ellen's Dallas

To the Ladies of Dallas,

You've told us that you are anxiously awaiting the opening of Sue Ellen's, Dallas' newest club for women. Kathy Jack and I are getting anxious, too! We can hardly wait to bring you what you've been waiting for, but we'll all have to wait just a little longer. Right now, our construction crew is busy putting the finishing touches on the all new Village Station and Village Mining Company, opening soon in Tampa, Florida. As soon as they're finished, they'll be in Dallas to complete Sue Ellen's. We want to assure you that it will be well worth the wait. We've worked hard on the plans and believe that Sue Ellen's will be exactly what you deserve: The finest club for ladies in the history of Texas. Please watch TWI for opening information.

Sincerely yours,

Denise P. Weir

AUSTIN AIDS WEEK
MARCH 18 TO 24

AUSTIN — Two years ago AIDS was virtually unheard of in the Capitol City. Last year when the first cases began to surface, the city's first AIDS Awareness Week was held.

Now, this year, with at least 22 cases recorded locally, the second annual AIDS Awareness Week takes on added somber importance. "It all begins next Monday, March 18 and lasts until March 24," organizer Jana Zumbun advised *twr news/Austin*.

The week's activities will include a forum on AIDS for the general public from 7 to 10 p.m., Thursday, March 21, at the City Electric Building, 301 West Ave. Dr. Peter Mansell of the Department of Cancer Prevention at M.D. Anderson Hospital in Houston will be one of the featured panelists.

Friday, March 22 is slated as "Safe Sex Day," featuring appearances by Houston's Playsafe mates at various Austin gay bars. Safe sex packets will be distributed to bar customers.

Saint Luke United Methodist Church, 1306 West Lynn, will sponsor a blood drive Saturday, March 23, from 10 a.m. to 4 p.m. Blood donations will be sought from persons not at risk for AIDS to go into a blood insurance pool which can be used by persons who are at risk and thus cannot donate blood.

The week's events will culminate Saturday evening with the much-anticipated benefit cocktail party and silent auction, 7 to 11 p.m. in the Stephen F. Austin Hotel at 7th Street and Congress Avenue. Featured speakers will be former State Senator Lloyd Doggett and Insurance Board Commissioner Carol Keeton Rylancor. The evening's entertainment spotlights local singer-songwriter Harry Wingfield and skits by the lovably outrageous Esthers Follies and Fred and Ethyl.

Funds raised during the week-long activities will be donated to the Waterloo Counseling Center's Austin AIDS project.

Charles Kelly, Tommy Jackson,
 Gene Houde and Lynn Goney
