Dallas' Hottest After Hours  
3911 CEDAR SPRINGS

February 1988

To the Ladies of Dallas,

You've told us that you are anxiously awaiting the opening of Sue Ellen's, Dallas' newest club for women. Kathy Jack and I are getting anxious, too! We can hardly wait to bring you what you've been waiting for, but we'll all have to wait just a little longer. Right now, our construction crew is busy putting the finishing touches on the all-new Village Station and Village Mining Company, opening soon in Tampa, Florida. As soon as they're finished, they'll be in Dallas to complete Sue Ellen's. We want to assure you that it will be well worth the wait. We've worked hard on the plans and believe that Sue Ellen's will be exactly what you deserve: The finest club for ladies in the history of Texas. Please watch TW1 for opening information.

Sincerely yours,

*Denis P. Weir*

COORS DID NOT DONATE ANY MONEY TO ANITA BRYANT

They supporters of the Adelphi Coors Company of Golden Colorado, have been meeting with the Harvey Milk, long-time gay activist, and candidate for Supervisor in District 4.

The meetings began on Wednesday August 31, and continued on other days through Friday. The two days of talks took nearly five full hours of meetings of ideas, problems were discussed about the Anita Bryant situation.

Brooklyn, former president of the GLA (Gay Liberation Alliance) admitted to the Coors people that he had advised the "Save Our Children" group having received money from the Coors Company and their Heritage Foundation, in an effort to help Bryant, and based upon the fact that Coors did not hire openly gay people, and the words "sexual orientation" was not in the hiring policies of Coors.

Coors has actively agreed to add sexual orientation to their hiring policies. They have also actively agreed to hire a gay person as an employment consultant, and in addition, negotiations are still going on about Coors becoming shareholders of Coors, and not just with the selling of the brewery.

Brooklyn said how in April at the GLA demonstration at the Hooper Brewing Machine Company, he had put Coors name on the pamphlet for was handing out to having given funds to Anita Bryant's campaign. He related how Harvey Milk, who did not of course, show up at the demonstration, called him on the phone later and asked about the Coors donation to Anita... at that time Mr. Brooklyn said they had donated "10,000 or so, then Harvey wrote in his column in the Bay Area Reporter", that Coors had given \$50,000 and then the Socialist of Charles Law shortly after the donation to \$100,000... and then Coors's advocate spent it to \$150,000 and then the National Gay Task Force spent it to \$250,000... and it was all straightened out in the office of the GLA and was presented at the San Francisco demonstration via the mouth of Harvey Milk, who is the publisher of Alan Bland of the Transitory Union along with Harvey Milk, and other active gay activists, all took up the bar and CT, but the money wanted to break the back of Coors and was in this issue, a way to let guys to do it.

Coors never donated any funds to Anita Bryant! What began as a play on your part, Mr. Anita, was taken by Harvey Milk, Alan Bland, and Howard Walker and used to try and break Coors in their labor difficulties.

So, with the tentative agreement reached, it is not time for the gay bars to put Coors back on the map. Coors Beer is a family operation is moving into the 21st Century at last by changing their hiring policies.

Coors yes... unions no!

The Frisco Follies will perform Monday, March 27 at 10pm in the OP Dallas. The performance is a benefit for the Dallas Alliance for Individual Rights (DAIR). The Frisco Follies appear through the courtesy of Granny's Dinner Playhouse where they will be appearing nightly through April 2. In honor of the Frisco Follies, the Villa Fontana will sponsor a fine cocktail party the evening of the DAIR benefit from 7:30 to 8:30pm.

**COORS BOYCOTT:** At last Wednesday's Houston GPC Meeting, it was voted to end the Coors boycott (see page 37). Whether Houston Coors & customers follow suit remains a question. In Dallas, the GPC voted to continue the boycott. Meanwhile in Austin, there never was a boycott. So although guys have won a battle, in Golden Colorado, reaction in Texas continues mixed.

**GALVESTON ISLE:** Women from all over the USA will be on hand for the rally tourney this weekend, which will pack My Sisters at 2414 39th Street. Dana reports business booming. Mary's II presents their Entrepreneur of the Month Show the Saturday night, reports show director, Granny. . . . And at the Kon Tiki, the upstairs bath goes full-time, starting March 31, and the downstairs disco boogies nightly. DJ Johnny Brandt reports the top five disco hits as 1) Saturday Night Fever/ Night Fever, 2) Don't Leave Me This Way/Healed Melvin, 3) Once Upon a Time/Donna Summer, 4) Love is Really My Game/Drassmann, and 5) You Are The Music/Whitney/Barbara Partington.

**BOOGIE TALK:** Houston's top five from DJ Frank Collins of Cuddles, the Locker, and After Dark are: 1) Risky Business/Dionne Warwick, 2) Rhythm and Super-Cover, 3) Come Into My House/USA-Europe, 4) Can't Stand the Rain/Exception, and 5) Future Jumper/Dops of War. Co-Go-Go!

**EASTER PARADES:** In Beaumont, the Farmhouse presents a Hat Contest Sunday. In Austin, the Country has an egg hunt Sunday. In Dallas, T2's is also having an Easter egg hunt. In Houston, Cuddles is having an egg hunt and has contest. . . . The Gallison is giving away an Easter Liqueur Basket Sunday night. . . . And the Venture-N will have an Easter basket party (Staff says the Easter Bunny will appear at 6pm).

**EASTER RABBIT FOOTNOTE:** The Dutchess' Annual Easter Sunday Roller Derby down Westheimer is off this year. . . . D-11, the Old Guy's Easter Sunday Show are on, at 4 and 6pm preceded by a buffet and beer bust.

**DALLAS TEA:** Tex's Ranch new remodeling is hot to go. . . . Miss Gay Dallas is getting festive entries for April 6th at D-11, where Heather Fontaine from the Playhouse Club guests this Sunday night. . . . DAIR's Frisco Follies benefit is this Monday at the OP. . . . And Sundance Kids welcome back bartender Norman Owens.

**AUSTIN TEA:** The Private Cellar's street level gallery will have a May cooking with after hours and Sunday brunches. . . . David Freeman and Butch are planning a new gentlemen's bar. . . . And Salsan Day is the weekend of April 22.

**ROCKS AND WOOD:** The newly complimentary drinks. . . . You won't believe the refurbishing job done on the of Uncle Charles, with railroad ties, lassans, wood beams, and cave-like entry.

**FORT WORTH:** The Society for Individual Rights presents an Imperial Coronation Ball in the crystal ballroom of the FW Sheraton next Monday at 9pm. The Facts are still upset over "lags in drag" sweeping the city's largest hotel. . . . And a cast of thousands final closing show this Sunday night. . . . The end of an era.

**SNOPING AROUND:** Tom Bobbit is on piano at 6015, while Scooper Beerton is DJ and friendly Harold greets you at the door. . . . Vera sees the Hi-Lite Ranch is getting a new look and a new island bar. . . . Chert and Co. presented a highly remastered show last Wednesday at the Madras Sun, where Torchy's second show outdid her first, singing "Don't Force It". . . . After Dark had a busy grand opening last weekend. . . . Alan Trip, a live singer at D-11, is still keeping Dallas buzzing. . . . Richard Hicks & Chicks' Levee of the Navellest Dance Company stopped two Houston shows (OP and Marvin's Sun) last week with "Johnny, How I Miss You". . . . And Tiffany Jones, Eartha Kitt and Torchy Lane are in Florida March 31st to do a show and say "hi" to Anita.

**"Open Letter"**  
To Our Customers,  
Friends And Business  
Associates:

In the ordinary course of business we must make difficult decisions that affect not only ourselves, but which out of necessity include those around us.

To leave surroundings of comfort and familiarity is not always easy. The customers, business associates and friends we have made during our stay at The Old Plantations will always be most fondly remembered and treasured. The cooperation and kindness extended us by their staff is most deeply appreciated.

We would like to make a very special acknowledgement of gratitude to Howard Neese of The Old Plantation/Houston. His personal warmth, concern and generosity are not easily seen by many. To protect the majority can be a most lonely position, and more often than not misunderstood or misinterpreted. We have appreciated his professionalism and look forward to a lengthy personal friendship.

We continue service to the gay community in our new home at Cuddle's Super Disco, 4714 So. Main, and promise our continuing efforts to bring you the finest in jewelry, service, etc.
